CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 3349

AN ORDINANCE adopting Water and Sewer Utility Regulation R-110.1 regarding compliance with the State Environmental Policy Act and City Environmental Procedures Ordinance.

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. The following Water and Sewer Utility Regulation R-110.1 is hereby adopted:

1.0 PURPOSE

To assure that the Utility complies with the State Environmental Policy Act and the City Environmental Procedures Code in taking certain utility related actions.

2.0 GENERAL REQUIREMENTS

2.1 The Utility will not extend or construct any water or sewer facility, or approve the extension or construction of such a facility by another party, until appropriate review under the State Environmental Policy Act and the City Environmental Procedures Ordinance has been completed.

2.2 The Utility will not issue any letter of availability of water or sewer service where extension or construction of a water or sewer facility is required to provide such service until appropriate review under the State Environmental Policy Act and the City Environmental Procedures Ordinance has been completed.

2.3 Following the appropriate review under the State Environmental Policy Act and City Environmental Procedures Ordinance, the Utility may condition a proposal to extend or construct a water or sewer facility in order to mitigate adverse environmental impacts, or may in appropriate cases deny such a proposal, in accordance with the requirements of Bellevue City Code 22.02.140.
