Amenities

A 20-acre oasis of green in the heart of Bellevue defines this elegant centerpiece of the Bellevue Parks System. A one-half mile promenade, bordered by a double row of shade trees and a stepped canal, brings one to the 240-foot wide waterfall that cascades into a reflecting pond. A 10-acre lawn area invites one to pause for family time with Bellevue's skyline and Mount Rainier in the background. The park's delightful play area and formal gardens add to family enjoyment, and serve as a backdrop for community events.

Rules & Regulations

For the safety of everyone, please leave alcohol, fireworks, pets, barbecues, and weapons at home. The park has an irrigation system below the grass, so please do not drive anything into the ground. Leave the tent stakes at home.

Pets

Loud fireworks, lots of people, and pets don't make a good combination. For the safety, health, courtesy, and enjoyment of your pets and all festival goers, please leave your pets at home. Large crowds make it a very stressful and dangerous environment for pets.
