Refresh Recycling
Sponsored by the City of Bellevue

Bellcentre

Recycling Progress Report

February 2015

This monthly progress report is brought to you by the Refresh Recycling pilot program. As part of this program, you can track how much your building has recycled each month, get tips on how to recycle more to improve your stats, and compare your building to others in the area. Let's work together as a community to recycle more.

This month, residents of Bellcentre earn a:

Bronze Recycling Star!
You have room to improve by recycling more to reduce your environmental footprint and conserve resources. Keep it up!

= Top Tier = Middle Tier = Bottom Tier

Last month your building recycled:

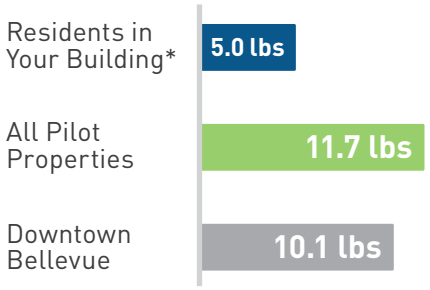
4,973 lbs of recyclable materials

which saved enough energy to power

ONE RECYCLING TRUCK FOR **705 MILES**

RECYCLING REQUIRES LESS ENERGY THAN USING RAW MATERIALS

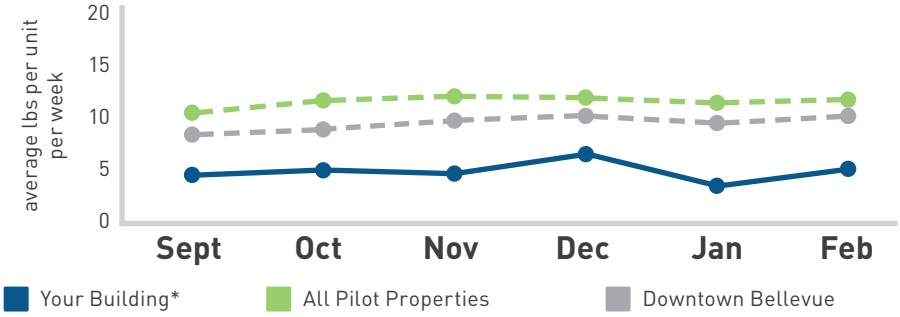
How your weekly recycling compares to your neighbors:



*Average lbs per unit per week

Recycling History

During the duration of the pilot program (September 2014 - February 2015)



RECYCLE MORE, SUPPORT YOUR COMMUNITY!

By recycling, you are doing more than conserving resources — you are supporting jobs and businesses in your community. Each ton of material recycled supports 10 times as many jobs as material landfilled.

Meet Your Recycling Truck Driver

"I have been a recycling truck driver for Republic for 7 years. I'm proud that my job helps Bellevue residents keep valuable materials out of the landfill."

– Brandon, Republic Services
