(This is an opportunity for Council to pose questions on this quasi-judicial matter. This item is scheduled for Council action on May 15, 2006.

The appeal period for this item closes at 5 p.m. on May 1. No appeal is anticipated, but should an appeal be filed this item will be removed from the Agenda.)

* Quasi-judicial matters are those in which the Councilmembers sit as “judges” to decide issues involving specifically identified property or other rights between individuals or parties. This is as opposed to the Council’s usual role of acting in a legislative or policy-making capacity.
