

## CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 3362

AN ORDINANCE of the City of Bellevue, Washington, providing for the issuance of \$1,160,000 principal amount of "Water and Sewer Revenue Bonds, 1984," for the purpose of providing the funds to pay a part of the cost of carrying out a system or plan of additions to and betterments and extensions of the waterworks utility of the City, including the sanitary sewerage system and storm and surface water utility as a part thereof by constructing and installing the Meydenbauer drainage trunk line; fixing the date, form, interest rates, maturities, terms and covenants of such bonds; and providing for the sale of such bonds at a public sale.

WHEREAS, pursuant to Ordinance No. 2169, as amended by Ordinance No. 2181, the sanitary sewerage system of the City of Bellevue, Washington (hereinafter defined as the "City"), was combined with and became a part of the waterworks utility of the City and, pursuant to Ordinance No. 2845, the storm and surface water utility of the City created and established by Ordinance No. 2003 was combined with and made a part of such combined water distribution system and sanitary sewerage system, and such combined systems (hereinafter defined together with all additions thereto and betterments and extensions thereof heretofore or hereafter made as the "Waterworks Utility of the City") are maintained and operated jointly; and

WHEREAS, pursuant to Ordinance No. 2328 passed August 16, 1976, the City heretofore issued its \$7,155,000 par value of "Water and Sewer Revenue Refunding Bonds, 1976," for the purpose of obtaining a part of the funds with which to accomplish the refunding, defeasance, payment and retirement of its then outstanding "Water and Sewer Refunding Bonds, 1975," and "Water and Sewer Revenue Bonds, 1975"; and

WHEREAS, by Section 11 of Ordinance No. 2328 the City reserved the right, for the purpose of acquiring, constructing and installing additions, betterments and improvements to and extensions of, acquiring necessary equipment for, or making necessary replacements of or repairs or capital improvements to the Waterworks Utility of the City pursuant to a plan or plans of additions and betterments thereto adopted after the passage of Ordinance No. 2328, to issue additional revenue bonds therefor (therein called and hereinafter defined as "Parity

Bonds") and to make payments into the "Water and Sewer Revenue Bond Redemption Fund, 1976," created by Ordinance No. 2328 for the payment of the "Water and Sewer Revenue Refunding Bonds, 1976," and any Parity Bonds, from the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments sufficient to pay the principal of and interest on such Parity Bonds and to maintain a reserve therefor as required by such Ordinance No. 2328, which such payments may rank equally with the payments out of such Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments required by Ordinance No. 2328 to be made into the "Water and Sewer Revenue Bond Redemption Fund, 1976," and the Reserve Account created therein if the following conditions and requirements are met and complied with at the time of the issuance of such Parity Bonds:

"(a) That at the time of issuance of such Parity Bonds, there shall not be a deficiency in the Bond Fund, including the 'Reserve Account' therein.

"(b) That the ordinance providing for the issuance of such Parity Bonds shall provide that all assessments and interest thereon which may be levied in any utility local improvement district hereafter created for the purpose of paying in whole or in part the principal of and interest on such Parity Bonds shall be paid directly into the Bond Fund.

"(c) That in the event there shall be included in such Parity Bonds any Term Bonds, the ordinance providing for the issuance of such Parity Bonds shall provide for a schedule of mandatory payments to be made into the 'Principal and Interest Account' of the Bond Fund, the sum of which shall be sufficient to pay the Term Bonds at maturity.

"(d) That the ordinance authorizing any Parity Bonds shall provide for the payment of the principal of and interest thereon out of the Bond Fund and shall further provide that the 'Reserve Account' be increased, in not less than substantially equal monthly payments, within a period of five years after the date of issuance of such Parity Bonds to an amount equal to the average annual principal and interest requirements on all Parity Bonds, including the Refunding Bonds; provided, however, that in the event such Parity

Bonds are issued for the purpose of refunding outstanding Refunding Bonds and/or Parity Bonds, the amount of such reserve allocated to such bonds being so refunded shall be retained as a reserve for such refunding Parity Bonds or used to retire outstanding bonds pursuant to the refunding plan, in which event such reserve amount shall be replaced in the same manner and within the same time as required for additional Parity Bonds. In computing such 'average annual principal and interest requirements,' there shall be included the amounts required to be paid into the 'Principal and Interest Account' of the Bond Fund in each year under any mandatory payment schedule required for the retirement of Term Bonds of any Parity Bonds.

"(e) That at the time of the issuance of such Parity Bonds, the City shall have on file a certificate from an independent licensed professional engineer experienced in the design, construction and operation of municipal utilities, showing that in his professional opinion, the Revenue of the Waterworks Utility of the City, after deducting Operating and Maintenance Expense, together with Utility Local Improvement District Assessments hereafter collected, which will be available in each succeeding year for the payment of the principal of and interest on all outstanding bonds payable out of such Revenue and Assessments and payable out of the Bond Fund and Parity Bonds to be issued, will be equal to the Coverage Requirement established by Section 8(b).

"In determining whether the City is able to comply with the terms of the parity conditions, the following adjustments may be made to the historical net operating revenue for any twelve consecutive months out of the immediately preceding 24-month period:

"(a) Any rate change that has taken place or been approved may be reflected.

"(b) Revenue may be added from customers actually added to the utility subsequent to the twelve-month period.

"(c) Revenue may be added from customers to be served by the improvements being constructed out of the proceeds of the bonds to be issued.

"(d) A full year's revenue may be included from any customer being served, but who has not been receiving service for the full period of operation used as a basis for the certificate.

"(e) Actual or reasonably anticipated changes in the Operating and Maintenance Expense subsequent to such twelve-month period shall be added or deducted, as is applicable";

and

WHEREAS, pursuant to Ordinance No. 2845 the City heretofore issued \$11,460,000 par value of its "Water and Sewer Revenue Bonds, 1980," dated May 1, 1980, which bonds were issued on a parity of lien with the "Water and Sewer Revenue Refunding Bonds, 1976"; and

WHEREAS, pursuant to Ordinance No. 3102, the City heretofore issued \$3,000,000 par value of its "Water and Sewer Revenue Bonds, 1982," dated June 1, 1982, which bonds were issued on a parity of lien with the "Water and Sewer Revenue Refunding Bonds, 1976," and "Water and Sewer Revenue Bonds, 1980"; and

WHEREAS, pursuant to Ordinance No. 3260 passed May 16, 1983, the City heretofore issued its \$3,660,000 par value of "Water and Sewer Revenue Refunding Bonds, 1983," dated May 15, 1983, for the purpose of obtaining a part of the funds to accomplish the refunding, defeasance, payment and retirement of its then outstanding "Water and Sewer Revenue Bonds, 1982," which bonds were issued on a parity of lien with the "Water and Sewer Revenue Refunding Bonds, 1976," and "Water and Sewer Revenue Bonds, 1980"; and

WHEREAS, the City Council has determined that it is necessary to issue and sell \$1,160,000 par value of water and sewer revenue bonds to provide a part of the cost of carrying out a system or plan of additions to and betterments and extensions of the Waterworks Utility of the City by constructing and installing the Meydenbauer drainage trunk line and to pay the costs of issuance and sale of the water and sewer revenue bonds provided for herein; NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN, as follows:

Section 1. As used in this ordinance the following words shall have the following meanings:

a. "Bonds" shall mean the "Water and Sewer Revenue Bonds, 1984," authorized to be issued by this ordinance.

b. "1976 Refunding Bonds," shall mean the "Water and Sewer Revenue Refunding Bonds, 1976," issued pursuant to Ordinance No. 2328.

c. "1980 Bonds" shall mean the "Water and Sewer Revenue Bonds, 1980," issued pursuant to Ordinance No. 2845.

d. "1983 Refunding Bonds" shall mean the "Water and Sewer Revenue Refunding Bonds, 1983," issued pursuant to Ordinance No. 3260.

e. "Bond Fund" shall mean the "Water and Sewer Revenue Bond Redemption Fund, 1976," created by Ordinance No. 2328 for the payment of the 1976 Refunding Bonds, and any Parity Bonds, including the 1980 Bonds and 1983 Refunding Bonds and which will include the Bonds.

f. "Bond Registrar" shall mean the fiscal agencies of the State of Washington in Seattle, Washington, or New York, New York, as the same may be designated from time to time.

g. "City" shall mean the City of Bellevue, Washington, a duly organized noncharter code city.

h. "Government Obligations" shall mean any direct obligations of, and any obligations the payment of principal of and interest on which is guaranteed by, the United States of America and which are otherwise lawful investments of the City at the time of such investment.

i. "Operating and Maintenance Expense" shall mean all reasonable expenses incurred by the City in causing the Waterworks Utility of the City to be operated and maintained in good repair, working order and condition, including payments of premiums for insurance on the Waterworks Utility of the City, payments to be made to the Municipality of Metropolitan Seattle, a municipal corporation, for sewage treatment and disposal, payments to The City of Seattle, Washington, for water purchased, and any State-imposed taxes, but excluding any City-imposed utility taxes or payments in lieu of taxes payable from Revenue of the Waterworks Utility of the City.

j. "Outstanding Bonds" shall mean the remaining outstanding water revenue bonds and sewer revenue bonds heretofore issued by the five special purpose districts whose assets have been acquired by the City and which the City has agreed to pay,

which then outstanding bonds were more particularly described in Ordinance No. 2169, and provision for the payment, retirement and refunding of which has been made by Ordinance No. 2169, as amended by Ordinance No. 2181.

k. "Parity Bonds" shall mean any and all water and sewer revenue bonds of the City issued after the date of the issuance of the 1976 Refunding Bonds, pursuant to the provisions of Section 11 of Ordinance No. 2328, Section 16 of Ordinance No. 2845, Section 13 of Ordinance No. 3260 and Section 12 of this Ordinance, the payment of the principal of and interest on which constitutes a lien and charge upon the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments on a parity with the lien and charge upon such Revenue and Assessments for the 1976 Refunding Bonds, the 1980 Bonds, the 1983 Refunding Bonds and the Bonds.

l. "Principal and Interest Account" shall mean the account in the Bond Fund of that name created and established in the Office of the Director of Finance of the City by Ordinance No. 2328.

m. "Reserve Account" shall mean the account in the Bond Fund of that name created and established in the Office of the Director of Finance of the City by Ordinance No. 2328.

n. "Revenue of the Waterworks Utility of the City" shall mean all the earnings and revenue received by the Waterworks Utility of the City from any source whatsoever, except Utility Local Improvement District Assessments, general ad valorem taxes, grants from the state or federal governments, proceeds from the sale of City property and bond proceeds.

o. "Term Bonds" shall mean any bonds of any Parity Bonds maturing in any year, the principal of which is greater than 1.25 times the average annual principal amount of all bonds maturing in the three years immediately preceding the year in which the Term Bonds of the Parity Bonds mature.

p. "Utility Local Improvement District Assessments" shall mean all utility local improvement district assessments and installments thereof, plus interest and penalties thereon, heretofore levied and pledged by the boards of commissioners of the respective special purpose districts to be paid into the bond redemption funds of the Outstanding Bonds, and hereafter collected, together with all assessments in and payments received in any other utility local improvement district created by the City Council to secure the payment of any Parity Bonds, including the 1976 Refunding Bonds, the 1980 Bonds, the 1983

Refunding Bonds and the Bonds, and pledged to be paid into the Bond Fund.

q. "Waterworks Utility of the City" shall mean the combined water distribution system and sanitary sewerage system of the City, as combined by Ordinance No. 2169, as amended by Ordinance No. 2181, and the storm and surface water system of the City combined therewith by Ordinance No. 2845, together with all additions thereto and betterments and extensions thereof heretofore or hereafter made or constructed.

Section 2. For the purpose of providing a part of the funds with which to pay the cost of carrying out the system or plan of additions to and betterments and extensions of the Waterworks Utility of the City by the construction and installation of the Meydenbauer drainage trunk line, the City shall cause to be issued the Bonds in the amount of \$1,160,000. The Bonds shall be dated June 1, 1984, shall be in the denomination of \$5,000 each or any integral multiple thereof within a single maturity, shall be numbered separately in the manner and with any additional designation as the Bond Registrar deems necessary for purpose of identification, and shall bear interest computed on the basis of a 360-day year of twelve 30-day months, payable on June 1, 1985, and semiannually thereafter on each succeeding December 1 and June 1. The Bonds shall be payable solely out of the Bond Fund, and shall be a valid claim of the owner thereof only as against such Bond Fund and the amount of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District assessments pledged to such fund and shall not be general obligations of the City.

The Bonds shall mature on June 1 in years and amounts as follows:

<u>Schedule A</u> <u>Maturity</u> <u>Years</u>	<u>Principal</u> <u>Amounts</u>
1985	\$25,000
1986	25,000
1987	25,000
1988	30,000
1989	30,000
1990	35,000
1991	35,000
1992	40,000
1993	45,000
1994	50,000
1995	50,000
1996	55,000
1997	60,000

<u>Schedule B</u> <u>Maturity</u> <u>Years</u>	<u>Principal</u> <u>Amounts</u>
1998	\$ 70,000
1999	75,000
2000	85,000
2001	90,000
2002	100,000
2003	110,000
2004	125,000

The amounts of Bonds shown above in Schedule B Maturity Years either shall mature or be subject to mandatory redemption on the above dates as may be specified by the purchaser or purchasers of the Bonds in accordance with Section 15 hereof. All Bonds maturing in any year in which the purchaser or purchasers pursuant to Section 15 of this ordinance specify a greater amount of bonds to mature than shown under Schedule B Maturity Years shall be Term Bonds.

If any Bond is not redeemed upon proper presentment at its maturity or call date thereof, the City shall be obligated to pay interest at the same rate for each such Bond from and after its maturity or call date until such Bond, both principal and interest, shall have been paid in full or until sufficient money for such payment in full is on deposit in the Bond Fund and such Bond has been called for payment.

Upon surrender thereof to the Bond Registrar, Bonds are interchangeable for Bonds in any authorized denomination of an equal aggregate principal amount and of the same interest rate and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Such exchange or transfer shall be without cost to the owner or transferee.

The Bonds shall be issued only in registered form as to both principal and interest on books or records (the "Bond Register") maintained by the Bond Registrar. Such Bond Register shall contain the name and mailing address of the owner of each Bond and the principal amount and number of Bonds held by each owner.

Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be paid by check or draft mailed to the registered owners at the addresses appearing on the Bond Register on the 15th day of the month preceding the interest

payment date. Principal of the Bonds shall be payable upon presentation and surrender of the Bonds by the registered owners at either of the principal offices of the Bond Registrar at the option of such registered owners.

Bonds maturing June 1, 1985, through June 1, 1994, are issued without the right or option of the City to redeem the same prior to their respective maturity dates. The City reserves the right to redeem Bonds maturing on or after June 1, 1995, at the option of the City, on June 1, 1994, and on any interest payment date thereafter, as a whole at any time or in part in inverse order of maturity (and by lot within a maturity in such manner as the Bond Registrar shall determine), at the following redemption prices expressed as a percentage of par plus accrued interest to the date fixed for redemption:

<u>Redemption Dates</u>	<u>Redemption Prices</u>
June 1, 1994, and December 1, 1994	101.0%
June 1, 1995, and December 1, 1995	100.5%
June 1, 1996, and thereafter	100.0% (par)

The City shall redeem Term Bonds, if any, by lot in such manner as the Bond Registrar shall determine, at par plus accrued interest, in the amounts shown in Schedule B Maturity Years above. If there is more than one Term Bond maturity, the Term Bonds shall be redeemed in chronological order of maturity.

Portions of the principal amount of any Bond, in installments of \$5,000 or any integral multiple of \$5,000, may be redeemed. If less than all of the principal amount of any Bond is redeemed, upon surrender of such Bond at the principal office of the Bond Registrar, there shall be issued to the registered owner, without charge therefor, a new Bond or Bonds, at the option of the registered owner, of like maturity and interest rate in any of the denominations authorized by this resolution.

Notice of any such intended redemption shall be given not less than 30 nor more than 60 days prior to the date fixed for redemption by first class mail, postage prepaid, to the registered owner of any Bond to be redeemed at the address appearing on the Bond Register. The requirements of this section shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether or not it is actually received by the owner of any Bond. The interest on the Bonds so called for redemption shall cease on the date fixed for redemption unless such Bonds so called are not redeemed upon presentation made pursuant to such call. In addition, such redemption notice shall be mailed within the same time period, postage prepaid, to

Moody's Investor's Service, Inc., and Standard & Poor's Corporation at their offices in New York, New York, or their successors, but such mailing shall not be a condition precedent to the redemption of such Bonds.

The City also reserves the right and option to purchase any of the Bonds on the open market at a price not in excess of the applicable call price on the date of purchase plus accrued interest to the date of purchase.

In the event that the City shall purchase Term Bonds on the the open market or redeem Term Bonds under the optional call provisions, the Bonds so purchased or redeemed (irrespective of their purchase or redemption price) shall be credited at the par amount thereof against the next mandatory redemption requirement for such Term Bonds which is at least 60 days after the date of such purchase or redemption. All Bonds so purchased or redeemed and credited against mandatory redemption as aforesaid shall be cancelled.

Section 3. The Bond Fund heretofore has been created and established in the office of the Director of Finance of the City by Ordinance No. 2328 and heretofore has been divided into two accounts, the Principal and Interest Account and the Reserve Account. So long as any Bonds are outstanding and unpaid, the Director of Finance of the City shall set aside and pay into the Principal and Interest Account, in addition to the amounts to be paid into such Account for the outstanding 1976 Refunding Bonds, 1980 Bonds and 1983 Refunding Bonds, out of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments a fixed amount, without regard to any fixed proportion, namely, on or before the 20th day of each month beginning with the month of December, 1984, such amount as is equal to 1/6th of the next ensuing six months' requirements for interest on the Bonds and on or before the 20th day of each month beginning with the month of June, 1984, 1/12th of the amount of principal of the Bonds becoming payable on the next ensuing principal payment date.

Section 4. The Director of Finance of the City shall set aside and pay into the Reserve Account on or before the first day of each month beginning with the month of July, 1984, out of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments in 60 substantially equal monthly payments such additional amounts as will be sufficient, together with the amounts required to be accumulated therein for the outstanding 1976 Refunding Bonds, 1980 Bonds and 1983 Refunding Bonds, to accumulate by June 1, 1989, a total amount not less than the average annual debt service requirements for

the 1976 Refunding Bonds, the 1980 Bonds, the 1983 Refunding Bonds and the Bonds.

The Reserve Account may be accumulated from any other money the City may have available for such purposes in addition to using the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments therefor.

When such required amount has been paid into the Reserve Account, the City will maintain that amount therein at all times, except for withdrawals therefrom as authorized herein, until there is a sufficient amount in the Bond Fund, including the Reserve Account, to pay the principal of and interest on all outstanding bonds payable out of the Bond Fund to the final maturity thereof, at which time the money in the Bond Fund, including the Reserve Account, may be used to pay such principal and interest.

In the event there shall be a deficiency in the Bond Fund to meet maturing installments of either principal or interest, as the case may be, on any outstanding bonds payable out of the Bond Fund, such deficiency shall be made up from the Reserve Account by the withdrawal of cash therefrom for that purpose. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up from the Revenue of the Waterworks Utility of the City and/or Utility Local Improvement District Assessments first available after making necessary provisions for the required payments into the Bond Fund.

All money in the Reserve Account may be kept in cash or deposited in institutions permitted by law in an amount in each institution not greater than the amount insured by any department or agency of the United States Government, or may be invested in United States Government obligations having a guaranteed market, or in United States Government obligations maturing not later than the last maturity of any outstanding bonds that are payable out of the Bond Fund. Interest earned on any such investments shall be deposited in and become a part of the Bond Fund.

If the City shall fail to set aside and pay into the Bond Fund the amounts which it has obligated itself by this section to set aside and pay therein, the owner of any Bond may bring suit against the City to compel it to do so.

Section 5. The City Council of the City finds:

(1) That the purpose for the issuance of the Bonds qualifies as a purpose for the issuance of

Parity Bonds as defined in Section 11 of Ordinance No. 2328, Section 16 of Ordinance No. 2845 and Section 13 of Ordinance No. 3260;

(2) That at the time of the issuance of the Bonds there is not and will not be a deficiency in the Bond Fund, including the Reserve Account;

(3) That no Utility Local Improvement District Assessments are levied in connection with the issuance of the Bonds;

(4) That if Term Bonds shall be included in the Bonds, this ordinance provides for a schedule of mandatory payments to be made in the Principal and Interest Account of the Bond Fund, the sum of which will be sufficient to pay the Term Bonds at maturity;

(5) That provision is made herein for the payment of the principal of and interest on the Bonds out of the Bond Fund and further provision is made for the accumulation of the required additional amounts in the Reserve Account; and

(6) That at the time of the issuance of the Bonds, the City will have on file a certificate from an independent, licensed professional engineer experienced in the design, construction and operation of municipal utilities, showing that in his professional opinion, the Revenue of the Waterworks Utility of the City, after deducting Operating and Maintenance Expense, together with Utility Local Improvement District Assessments hereafter collected which will be available in each succeeding year for the payment of the principal and interest on all outstanding bonds payable out of the Bond Fund, including the Bonds to be issued, will be equal to the coverage requirement established by Section 8(b) of Ordinance No. 2328, Section 14(b) of Ordinance No. 2845 and Section 11(b) of Ordinance No. 3260.

The conditions and requirements set forth in Section 11 of Ordinance No. 2328, Section 16 of Ordinance No. 2845 and Section 13 of Ordinance No. 3260 have been met and complied with, or will have been met and complied with at the time of the issuance of the Bonds, and, therefore, the Bonds shall be issued on a parity with the outstanding 1976 Refunding Bonds, 1980 Bonds and 1983 Refunding Bonds.

Section 6. By Ordinance No. 2169, as amended by Ordinance No. 2181, irrevocable provision has been made for the payment and retirement of all of the Outstanding Bonds. The Revenue of the Waterworks Utility of the City and all Utility Local Improvement District Assessments hereafter collected are pledged to the payments to be made into the Bond Fund as aforesaid, and the 1976 Refunding Bonds, the 1980 Bonds, the 1983 Refunding Bonds and the Bonds shall constitute a lien and charge upon the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments prior and superior to any other liens and charges whatsoever, subject only to Operating and Maintenance Expense and to the payment and retirement of the Outstanding Bonds.

Section 7. In the judgment of the City Council, the Revenue of the Waterworks Utility of the City at the rates to be charged for water and sanitary sewage disposal service and storm and surface water drainage service furnished on the entire utility, together with Utility Local Improvement District Assessments, will be more than sufficient to meet all Operating and Maintenance Expense and to permit the setting aside into the Bond Fund out of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments hereafter collected of amounts sufficient to pay the interest on the 1976 Refunding Bonds, the 1980 Bonds, the 1983 Refunding Bonds and the Bonds as such interest becomes payable and to pay and redeem all of such bonds at maturity. The City Council further declares that in creating the Bond Fund and in fixing the amounts to be paid into the same as aforesaid it has exercised due regard for the Operating and Maintenance Expense, and the City has not bound and obligated itself to set aside and pay into the Bond Fund a greater amount or proportion of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments than in the judgment of the City Council will be available over and above such Operating and Maintenance Expense and debt service requirements of such 1976 Refunding Bonds, 1980 Bonds, 1983 Refunding Bonds and Bonds, and that no portion of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments has been pledged previously for any indebtedness other than the Outstanding Bonds to be refunded or otherwise paid and retired as stated above.

Section 8. The City further covenants and agrees with the owner and holder of each of the Bonds as follows:

(a) All Utility Local Improvement District Assessments hereafter collected by the Director of the Office of Finance of King County, Washington, as ex officio treasurer

for the issuers of the Outstanding Bonds, shall be transferred to the Director of Finance of the City for deposit in the Bond Fund and all Utility Local Improvement District Assessments hereafter collected by the Director of Finance of the City shall be paid into the Bond Fund and may be used to pay the principal of and interest on the 1976 Refunding Bonds, the 1980 Bonds, the 1983 Refunding Bonds and the Bonds and/or Parity Bonds, without such assessments or installments thereof or interest thereon being particularly allocated to the payment of the principal and interest on any particular issue of bonds payable out of the Bond Fund. However, nothing in this ordinance or in this section shall be construed to prohibit the City from issuing water and sewer revenue bonds junior in lien to such 1976 Refunding Bonds, 1980 Bonds, 1983 Refunding Bonds, Bonds and/or Parity Bonds and pledging as security for their payment assessments levied in any utility local improvement district which may have been specifically created to pay part or all of the costs of improvements to the Waterworks Utility of the City for which such junior lien bonds were specifically issued.

(b) It will establish, maintain and revise, as necessary, and collect such rates and charges for water and sanitary sewage disposal service and for storm and surface water drainage service so long as any 1976 Refunding Bonds, 1980 Bonds, 1983 Refunding Bonds, Bonds and/or Parity Bonds are outstanding as will make available, together with any Utility Local Improvement District Assessments hereafter collected, in each succeeding year for the payment of the principal of and interest on such bonds then outstanding an amount equivalent to at least 1.25 times the average annual debt service requirements, both principal and interest, of such bonds, after deducting Operating and Maintenance Expense from the Revenue of the Waterworks Utility of the City. This subparagraph hereinafter shall be called the "Coverage Requirement." In determining whether the Coverage Requirement is or will be satisfied by the City, there shall be deemed to be included within the principal amount of bonds maturing in any year the amounts required to be paid into the Principal and Interest Account in such year under any mandatory payment schedule required for the retirement of Term Bonds of any Parity Bonds, and there shall be deemed to be excluded from the principal amount of any Term Bonds the sum of such payments required to be made under any such mandatory payment schedule.

(c) It will at all times maintain and keep the Waterworks Utility of the City in good repair, working

order and condition, and also will at all times operate such utility and the business in connection therewith in an efficient manner and at a reasonable cost.

(d) It will not sell, lease, mortgage or in any manner encumber or dispose of all the property of the Waterworks Utility of the City unless provision is made for payment into the Bond Fund of a sum sufficient to pay the principal of and interest on all bonds payable out of the Bond Fund at any time outstanding, and that it will not sell, lease, mortgage or in any manner encumber or dispose of any part of the property of the Waterworks Utility of the City that is used, useful and material to the operation thereof, unless provision is made for replacement thereof, or for payment into the Bond Fund of the total amount of revenue received which shall not be less than an amount which shall bear the same ratio to the amount of outstanding bonds payable out of the Bond Fund as the revenue available for debt service for such outstanding bonds for the twelve months preceding such sale, lease, mortgage or encumbrance or disposal from the portion of the utility sold, leased, mortgaged, encumbered or disposed of bears to the revenue available for debt service for such bonds from the entire utility for the same period. Any such money so paid into the Bond Fund shall be used to retire such outstanding bonds at the earliest possible date.

(e) It will keep, while any of the Bonds remains outstanding, proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to the Waterworks Utility of the City, and it will furnish the original purchaser or purchasers of the Bonds or any subsequent owner or owners thereof, at the written request of such owner or owners, complete operating and income statements of such utility in reasonable detail covering any calendar year not more than ninety days after the close of such calendar year, and it will grant any owner or owners of at least twenty-five percent of the outstanding Bonds the right at all reasonable times to inspect the entire Waterworks Utility of the City and all records, accounts and data of the City relating thereto. Upon request of any owner of any of the Bonds, it also will furnish to such owner a copy of the most recently completed audit of the City's accounts by the State Auditor of Washington.

(f) It will not furnish water or sanitary sewage disposal service or storm and surface water drainage service to any customer whatsoever free of charge and will take

legal action promptly to enforce collection of all delinquent accounts and all delinquent Utility Local Improvement District Assessments.

(g) It will carry the types of insurance, including self-insurance, on the properties of the Waterworks Utility of the City in the amounts normally carried by private water and sewer companies engaged in the operation of water and sewerage systems, and the cost of such insurance shall be considered a part of Operating and Maintenance Expense of such utility. If, as, and when the United States of America or some agency thereof shall provide for war risk insurance, the City further agrees to take out and maintain such insurance on all or such portions of the Waterworks Utility of the City on which such war risk insurance may be written in an amount or amounts to cover adequately the value thereof.

(h) It will pay all Operating and Maintenance Expense and otherwise meet the obligations of the City as herein set forth.

(i) It will spend the principal proceeds of the Bonds with due diligence to completion of the purposes specified in this ordinance and will make no use of the proceeds of the Bonds or other funds of the City at any time during the term of the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and the applicable regulations thereunder.

Section 9. The Bonds shall be printed on good bond paper with lithographed or engraved borders in a form consistent with this ordinance and shall be signed by the facsimile signatures of the Mayor and City Clerk. The seal of the City shall be reproduced on the lower border thereof, and such seal is adopted as the seal of the City for such Bonds being issued.

Only such Bonds as shall bear thereon a Certificate of Authentication in the following form, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance:

#### CERTIFICATE OF AUTHENTICATION

This bond is one of the fully registered City of Bellevue, Washington, Water and Sewer Revenue Bonds, 1984, described in the within mentioned ordinance.

Washington State Fiscal Agency  
Bond Registrar

By \_\_\_\_\_  
Authorized Officer

Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this ordinance.

In case either or both of the officers who shall have executed the Bonds shall cease to be such officer or officers of the City before the Bonds so signed shall have been authenticated or delivered by the Bond Registrar, or issued by the City, such Bonds may nevertheless be authenticated, delivered and issued and upon such authentication, delivery and issue, shall be as binding upon the City as though those who signed the same had continued to be such officers of the City. Any Bond also may be signed and attested on behalf of the City by such persons as at the actual date of execution of such Bond shall be proper officers of the City although at the original date of such Bond any such person shall not have been such officer of the City.

Section 10. The fiscal agencies of the State of Washington in Seattle, Washington, and New York, New York, as the same may be designated from time to time are appointed Bond Registrar for the Bonds. The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the City. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar's powers and duties under this ordinance.

The Bond Registrar shall be responsible for its representations contained in the Registrar's Certificate of Authentication on the Bonds. The Bond Registrar may become the owner of Bonds with the same rights it would have if it were not the Bond Registrar, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond owners.

Section 11. The Bonds shall be negotiable instruments to the extent provided by RCW 62A.8-102 and 62A.8-105.

Section 12. The City covenants with the owner of each of the Bonds for as long as any of the same is outstanding that it

will not create any special fund or funds for the payment of the principal of and interest on any other revenue bonds which will have any priority over or which will rank on a parity with the payments required by this ordinance to be made out of the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments pledged to be paid into the Bond Fund, except it reserves the right for

First, the purpose of acquiring, constructing and installing additions, betterments and improvements to and extensions of, acquiring necessary equipment for, or making necessary replacements of or repairs or capital improvements to, the Waterworks Utility of the City pursuant to a plan or plans of additions and betterments thereto hereafter adopted, or

Second, the purpose of refunding by exchange or purchasing and retiring or advance refunding by call and payment at or prior to their maturity any part or all of the outstanding water and sewer revenue bonds of the City,

to issue additional and/or refunding revenue Parity Bonds therefor and to make payments into the Bond Fund from the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments sufficient to pay the principal of and interest on such Parity Bonds and to maintain a reserve therefor as required, which such payments may rank equally with the payments out of such Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments required by this ordinance to be made into the Bond Fund and Reserve Account, if the conditions and requirements set forth in Section 11 of Ordinance No. 2328, Section 16 of Ordinance No. 2845, Section 13 of Ordinance No. 3260 and of this section are met and complied with at the time of issuance of such Parity Bonds.

Nothing contained in this section shall prevent the City from issuing revenue bonds, warrants or other obligations, the payment of the principal of and interest on which is a charge upon the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments junior and inferior to the payments required to be made out of such Revenue into the Bond Fund.

Section 13. In the event the City shall issue advance refunding bonds pursuant to the laws of the State of Washington, or have funds available from any other lawful source, to pay the principal of and interest on the Bonds or such portion thereof included in the refunding plan as the same become due and payable and to refund all such then outstanding Bonds and to pay

the costs of refunding, and shall have set aside irrevocably in a special fund for and pledged to such payment and refunding, money and/or Government Obligations, sufficient in amount, together with known earned income from the investment thereof, to make such payments and to accomplish the refunding as scheduled, and shall make irrevocable provisions for redemption of such Bonds, then in that case all right and interest of the owners of the Bonds to be so retired or refunded in the covenants of this ordinance and in the Revenue of the Waterworks Utility of the City, Utility Local Improvement District Assessments, funds and accounts obligated to the payment of such Bonds, except the right to receive the funds so set aside and pledged to be paid from the Bond Fund without priority, shall thereupon cease and become void and the City may then apply any money in any fund or account established for the payment or redemption of such Bonds to any lawful purposes as it shall determine.

In the event that the refunding plan provides that the Bonds being refunded or the refunding bonds to be issued be secured by cash and/or Government Obligations pending the prior redemption of those Bonds being refunded and if such refunding plan also provides that certain cash and/or Government Obligations are pledged irrevocably for the prior redemption of those Bonds included in the refunding plan, then only the debt service on the Bonds and the refunding bonds payable from the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments shall be included in the computation of coverage for issuance of Parity Bonds and the annual computation of coverage for determining compliance with the Coverage Requirement.

Section 14. By Ordinance No. 2169, as amended by Ordinance No. 2181, there has been created and established in the office of the Director of Finance of the City a special fund designated the "Waterworks Utility Revenue Fund." The Revenue of the Waterworks Utility of the City shall be deposited as received in the Waterworks Utility Revenue Fund and shall be used, paid out and distributed in the following order of priority:

(a) To meet Operating and Maintenance Expense.

(b) To meet the required payments into the Bond Fund for all bonds payable out of the Bond Fund from the Revenue of the Waterworks Utility of the City and Utility Local Improvement District Assessments, including the amounts required to be paid into the Principal and Interest Account in such year under any mandatory payment schedule required for the retirement

of Term Bonds of any Parity Bonds, and payments necessary to make up any deficiency in the Reserve Account created by authorized withdrawals therefrom.

(c) To meet the debt service requirements for any water and sewer revenue bonds hereafter issued for the payment of which the lien and charge upon the Revenue of the Waterworks Utility of the City will be junior to the prior lien and charge thereon for payments to be made into the Bond Fund.

(d) To redeem and retire any water and sewer revenue bonds of the City then outstanding or to purchase any or all of those bonds in the open market at a price not in excess of the price at which those bonds would be redeemed at the next call date, and to make necessary additions, betterments, repairs, extensions and replacements of the Waterworks Utility of the City and other purposes proper to its maintenance and operation, including the payment of any City-imposed utility taxes or payments in lieu of taxes payable from Revenue of the Waterworks Utility of the City.

Section 15. The Bonds shall be sold for cash at public sale for not more than a 2% discount plus accrued interest to the date of delivery of and payment for the Bonds.

The City Clerk is authorized to give notice calling for bids to purchase the Bonds by publishing such notice once a week for two consecutive weeks in the official newspaper of the City, or, if there be no official newspaper of the City, in a newspaper of general circulation in King County, Washington, the first publication date thereof to be no later than May 7, 1984, and by publishing no later than May 14, 1984 a short abbreviated form of such notice once in The Seattle Daily Journal of Commerce and Northwest Construction Record of Seattle, Washington, and in the Daily Bond Buyer of New York, New York. Such notice shall specify that sealed bids for the purchase of the Bonds shall be received by the City Clerk in her office in the City Hall on May 21, 1984, up to 11:00 a.m., local time, at which time all bids will be opened publicly and read and an award made by the City Council at its regular meeting to be held in the City Council Chambers commencing at 7:00 p.m., local time, on the same date.

Bids shall be invited for the purchase of the Bonds in accordance with the schedules specified in Section 2 hereof. The amounts of Bonds in Schedule B Maturity Years shall mature

or be subject to mandatory redemption on the above dates as may be specified by the purchaser or purchasers of the Bonds.

The notice shall specify the maximum effective rate of interest the Bonds shall bear, namely, 12.5% per annum, and shall require bidders to submit a bid specifying:

(a) The lowest rate or rates of interest and discount below par at which the bidder will purchase the Bonds; or

(b) The lowest rate or rates of interest at which the bidder will purchase the Bonds at par.

No bid offering to purchase the Bonds at a discount of more than 2% plus accrued interest or offering to purchase less than the entire issue will be considered. The purchaser must pay accrued interest to date of delivery of the Bonds.

Interest rates shall be in multiples of 1/8 or 1/20 of 1%, or both. No more than one rate of interest may be fixed for any one maturity. The interest rate specified for the Bonds of any maturity shall not be less than the interest rate specified for the Bonds of any prior maturity.

For the purpose of comparing the bids only, each bid shall state the total interest cost over the life of the Bonds and the net effective interest rate of the bid, taking into account the discount, if any, bid.

The Bonds shall be sold to the bidder making the best bid, subject to the right of the City Council to reject any and all bids and to readvertise the Bonds for sale in the manner provided by law, and no bid for less than all of the Bonds shall be considered. The City further reserves the right to waive any irregularity in any bid or in the bidding process.

All bids shall be sealed and, except the bid of the State of Washington, if one is received, shall be accompanied by a deposit of \$58,000. The deposit shall be either by certified or cashier's check made payable to the City of Bellevue and shall be returned promptly if the bid is not accepted. The City reserves the right to invest the good faith deposit of the purchaser pending the payment for the Bonds. The purchaser shall not be credited for such earnings. If the Bonds are ready for delivery and the successful bidder shall fail or neglect to complete the purchase of the Bonds within forty days following the acceptance of its bid, the amount of its deposit shall be forfeited to the City and in that event the City may accept the bid of the one making the next best bid. If there be two or more equal bids and such bids are the best bids received, the

City Council shall determine by lot which bid shall be accepted. The Bonds will be delivered to the successful bidder upon payment of the purchase price plus accrued interest to the date of delivery, less the amount of the good faith deposit, at the office of the City Clerk or in Seattle, Washington, at the City's expense, or at such other place upon which the City Clerk and the successful bidder may mutually agree at the purchaser's expense. Settlement shall be made in federal funds immediately available at the time of delivery of the Bonds. A no-litigation certificate in the usual form will be included in the closing papers.

CUSIP numbers will be printed on the Bonds, if requested in the bid of the successful bidder, but neither failure to print such numbers on any bond nor error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the City, but the fee of the CUSIP Service Bureau for the assignment of those numbers shall be the responsibility of and shall be paid by the purchaser.

Any bid presented after the time specified for the receipt of bids will not be received, and any bid not accompanied by the required bid deposit at the time of opening will not be read or considered.

If, prior to the delivery of the Bonds, the interest receivable by the owners thereof shall become taxable, directly or indirectly, by the terms of any federal income tax law, the successful bidder may at its option be relieved of its obligation to purchase the Bonds, and in such case the deposit accompanying its bid will be returned, without interest.

The notice of bond sale shall provide that the City will cause the Bonds to be printed or lithographed, and will furnish the approving legal opinion of Messrs. Roberts & Shefelman, bond counsel of Seattle, Washington, covering the Bonds without cost to the purchaser, the opinion also being printed on each bond. Bond counsel shall not be required to review or express any opinion concerning the completeness or accuracy of any official statement, offering circular or other sales material issued or used in connection with the Bonds, and bond counsel's opinion shall so state. Such notice also shall provide that further information regarding the details of the Bonds may be received upon request made to the City Clerk or to Seattle-Northwest Securities Corporation, 3700 Seafirst Fifth Avenue Plaza, Seattle, Washington, the City's financial consultant.

Section 16. There is created and established in the office of the Director of Finance of the City a special fund to be known and designated as the "1984 Waterworks Utility Drainage Construction Fund, No. 483," and the principal proceeds received from the issuance and sale of the Bonds shall be deposited in the "1984 Waterworks Utility Drainage Construction Fund, No. 483," and used for the purposes specified herein and the expenses incurred in the issuance of the Bonds. Pending the expenditure of such principal proceeds out of the "1984 Waterworks Utility Drainage Construction Fund, No. 483," the money in such fund may be invested in any legal investment and the investment income may be retained in such fund and used for the purposes of such fund. The accrued interest received, if any, shall be deposited in the Bond Fund.

Section 17. This ordinance shall be published by posting it in the three official posting places of the City, and shall take effect and be in force five days after the date of posting.

PASSED by the City Council this 16th day of April, 1984, and signed in authentication of its passage this 16th day of April, 1984.
