

On behalf of the Bellevue City Council, we are very excited to partner with the Rotary Club of Bellevue to bring the concept of Inspiration Playground to life. With many great programs such as Highland Community Center and Bellevue Youth Theatre, our city is a great place for people of all abilities. Now, we have an opportunity to create another wonderful space for everyone to enjoy.

Through this partnership and with support from residents of Bellevue, we will build something exciting--- a new playground that will provide children, teens, and adults of all abilities with opportunities to play, interact and explore.

We invite you to come to the Play for All Expo and participate in the unveiling of this exciting new concept, discover and learn about community resources available for individuals with disabilities and help support this great project.

Please join us in building Inspiration Playground and help create a lasting gift for many generations to enjoy!

Conrad Lee
Mayor, City of Bellevue

Inspiration | Education | Acceptance | Joy

Where else would one have an opportunity to participate in a project that could intertwine those four words into a playground like no other? A place where a child's physical or emotional limitations are not barriers to play. Learning and understanding will take place through the simple act of being together and playing together.

As president of Bellevue Rotary Club I am honored to be working in tandem with the City of Bellevue Parks Department on the "Inspiration Playground" which will be built in the Bellevue Downtown Park. Together with the help of the local community we will create a unique experience: one that will engage and interest children with and without disability, parents, grandparents and anyone with mobility limitations.

We will be raising funds, working with professionals in the field of building such playgrounds and working with various non-profits in our area to ensure we create a playground that is truly a playground for all.

Rotary International's motto is "Service Above Self" and the 'Inspiration Playground' will represent those words with every child who visits. Everyone will be welcome and everyone will be inspired!

Robert Rose
President, Bellevue Rotary Club

Play for All EXPO

Saturday • September 29, 2012 • 10am to 2pm

Bellevue Downtown Park

FREE
TO THE PUBLIC

SCOUTS GET INVOLVED AT THE PLAY FOR ALL EXPO

The Scouting community is participating in the Disability Awareness Play for All Expo.

The Sea Scouts are conducting the flag ceremonies. The Girl Scouts have several disability awareness stations. The Boy Scouts are hosting various interactive disability awareness activities, such as a signal tower with wheelchair access by Troop 438, rope tying contests by Troop 626, blind tent pitch with Troop 600, Disability Awareness Merit Badge classes, and more.

The Order of Arrow, Crew 898 and Troop 355 will be participating and assisting various stations.

This is a wonderful and exciting opportunity for all in the community to participate and learn more about disability issues at this highly profiled and visible event. Everyone is invited!

Peter Wang
Cascade District Chairman,
Boy Scouts of America

MISSION OF CREATING INSPIRATION PLAYGROUND

The Rotary Club of Bellevue and the City of Bellevue are on a mission to create "The most unique playground on earth; a self contained world dedicated to fun, imagination and learning, where all ages and abilities play and explore at their own pace."

This is a unique opportunity for our community to help transform the play area of the Bellevue Downtown Park into the "Bellevue Rotary Inspiration Playground", a playground that is truly inclusive, not simply accessible. Help us with our vision to create a playground that is destined to become a community treasure.

Saturday, September 29, 2012, 10am to 2pm
Bellevue Downtown Park

Participate, Celebrate, Enjoy

PLAY FOR ALL PASSPORT
Visit all the stations and win!

As part of the Expo, visitors will have the option of using a "Play For All Passport" to verify their visit to a Discovery Station. After visiting a station you'll receive a stamp. After successfully visiting ten stations, visitors can bring their completed (stamped) passport to the Bellevue Rotary/City of Bellevue Playground Information Booth to receive a prize!
