Parking and Start

Celebrate Earth Day with an easy 5K trail walk!

Enjoy the beauty of nature along the historic Lake Hills Greenbelt Trail connecting agricultural lands between Larsen and Phantom Lakes. This walk is family friendly and accessible for strollers and wheelchairs utilizing the gravel trail. Check in at the start point to receive your Earth Day passport, then start walking!

Bellevue Park Wellness Walks promote wellness, environmental stewardship, and physical fitness. Walks showcase Bellevue's beautiful Parks & Open Space System and vary in difficulty and length. Not all walks are suitable for small children and strollers. Complete all four walks and enter to win a prize! Walking Passport available at the Earth Day 5K Walk start table.
