

***Pond Lily* Wet Lab 2 Grand Opening**

Mercer Slough Nature Park, 1625 118th Ave. SE

Thursday, April 21, 2011 • 4 to 5:30 p.m

City of Bellevue Parks & Community Services and Pacific Science Center
invite you to celebrate the Master Builders Association of
King & Snohomish County's generous donation of Pond Lily Wet lab 2.

The Mercer Slough Environmental Education Center (MSEEC) provides classrooms for environmental education, a visitor center for interpretation, and a community building for community gatherings and environmental programs. The MSEEC is a collaboration between the City of Bellevue and the Pacific Science Center. The partnership brings year-round education and interpretation of freshwater ecosystems, wetland ecology, environmental stewardship and the effect of urban development to adults, youth and families.
