

You're invited to the

SPRING FORWARD
EXPO

Projects blooming in Bellevue

Learn about more than 60 City of Bellevue projects currently underway.

**Wednesday, April 24, 2013
4–7 p.m., Bellevue City Hall**

“Spring is the time of plans and projects.”

*- Leo Tolstoy,
Russian Novelist*

We are planning for Bellevue's future and now is the time for you to see what is blooming. Join department directors, project managers, and city staff as they showcase projects and programs. Here are *just a few* of the many projects making a difference in your community:

- ✿ The **Bellevue Botanical Garden** expansion and the **Bellevue Youth Theatre** construction
- ✿ **NE 15th Street: 116th Avenue NE to 124th Avenue NE, Phase 1** design, **Lakemont Boulevard & SE Cougar Mountain Way** intersection improvements and the **Mountains to Sound Greenway Trail** final design
- ✿ The new bridge for **Coal Creek Parkway** between SE 60th and Forest Drive
- ✿ The **Comprehensive Plan Update** forming Bellevue's future
- ✿ The newly annexed **Eastgate Neighborhood** projects

Many of the projects will need your comments, while others will provide general information.

For more information: Please contact Tresa Berg, Public Involvement Manager, Transportation Department, at 425-452-4638 or Tberg@bellevuewa.gov or www.bellevuewa.gov/spring-forward-expo.htm

Parking: Bellevue City Hall is located at 450 110th Avenue NE, across the street from the Bellevue Transit Center. The building's main entrance and the visitor's parking garage are accessible from 110th Avenue NE. Parking is available on a first-come-first-served basis. If the Visitor garage is full, parking is available in the city's employee garage, Monday – Friday, 5 p.m. – 11 p.m. Follow directions from NE 6th Street.

The City will provide reasonable accommodations. This information will be provided in alternate formats for individuals upon request. We invite everyone's participation. Please provide two weeks notice for accommodation requests. Assistance for the Deaf/Hard of Hearing can be provided through the 711 Telecommunications Relay Service.
