This is a Process III application, in which the Hearing Examiner provides a written recommendation to Council, which is the decision-making body. Should Council deny the application, their decision would be appealable to Superior Court.

The Hearing Examiner recommends Council approval, with conditions.)

* Quasi-judicial matters are those in which the Councilmembers sit as “judges” to decide issues involving specifically identified property or other rights between individuals or parties. This differs from Council’s usual role of acting in a legislative or policy-making capacity.

(Study Session may reconvene after the Regular Session if all items are not completed prior to 8:00 PM)
