

**CITY COUNCIL AGENDA MEMORANDUM**

**SUBJECT**

Consider Ordinance No. 6059 annexing to the City of Bellevue approximately 786 acres known as the South Bellevue - Eastgate and Tamara Hills Annexations, located south of I-90 in the Newcastle Subarea, by Direct Petition under RCW 35A.14.120. See Attachment 1.

**FISCAL IMPACT**

These South Bellevue Annexations have a current assessed valuation of \$757,647,690. The annexation would be expected to create a significant fiscal impact.

A staff-conducted sketch level analysis of annual operating revenues and expenditures for all of the South Bellevue Potential Annexation Area (Eastgate, Tamara Hills, Horizon View, and Hilltop) shows a gap between annexation area revenue and expenditures for the operating budget. The fiscal impact of annexing Eastgate and Tamara Hills PAAs constitute over ninety percent of the following totals:

Ongoing annual revenue (from all major sources)*	\$1,811,145
Ongoing annual costs (primary impacts to Fire, Police, Parks, Transportation)	\$3,152,420
Net operating budget deficit	\$(1,341,275)

\*Net after the revenue loss of the Fire District 14 contract amount of \$816,488

The state under RCW 82.14.415(7) allows the City to make up operating budget gaps by crediting a share of state sales tax revenue to those operating deficit costs for a period of ten years. This credit is designed to offset the cost of providing services to thousands of new residents. It reduces the state's revenue, credits it to the city instead, and is annexation-specific. The City Council adopted Ordinance No. 6045 on February 21, 2012, to begin receiving this credit according to statute after annexation.

At its February 28, 2011, Study Session the City Council directed staff to implement the South Bellevue Annexation work program, with the intent of engaging and completing the annexation of the unincorporated PAA communities of Eastgate, Tamara Hills, Horizon View, and Hilltop to Bellevue.

## **POLICY CONSIDERATION**

Should the City annex the Eastgate and Tamara Hills areas? See Attachment 2. The City will enter into an interlocal agreement (ILA) with King County for governance transfer as a result of the South Bellevue annexations. This agreement is a separate agenda item on May 21 and Council will be asked to direct the execution of this ILA.

The goal of the Comprehensive Plan's Annexation Element is to expeditiously annex all land within the Potential Annexation Area (PAA). This annexation would help realize applicable annexation policies.

- Policy AN-1 directs the City to annex unincorporated areas within the PAA when residents or property owners request annexation, and specifically, the unincorporated areas east of the city to Lake Sammamish and the [Sphere of Influence] line with Issaquah.

Eastgate and Tamara Hills PAAs are surrounded by Bellevue. Owners have requested annexation by petition. See Attachment 3.

## **BACKGROUND**

Pursuant to processing an annexation petition, the Revised Code of Washington (RCW) sections 35A.14.130 and .140 require the City Council to set a date and hold a public hearing inviting interested persons to appear and voice approval or disapproval of the annexation. The City Council held this hearing on the South Bellevue annexation of Eastgate and Tamara Hills on March 5, 2012. After the hearing, if the Council determines to effect the annexation, it does so by ordinance.

All the communities are south of Interstate 90 and surrounded by incorporated Bellevue.

PAA	Assessed Value	Population	Acres	Housing
1. Eastgate	\$757,647,690	4,967	764	1,896
2. Tamara Hills	31,569,000	211	22	78
Subtotal	\$756,815,890	5,178	638	1,974

The annexation area is in the Potential Annexation Area (PAA) and is contiguous to the city through multiple past annexations.

On June 3, 2011, Eastgate owners filed a Notice of Intent to Petition for Annexation whose representation exceeds the 10 percent representation of assessed valuation required to initiate a Notice of Intent. By June 15, 2011, owners had filed Notices of Intent representing 14.4 percent of the total area of their proposed annexation.

On June 9, 2011, Tamara Hills owners filed a Notice of Intent to Petition for Annexation whose representation exceeds the 10 percent representation of assessed valuation required to initiate a Notice of Intent. By June 15, 2011, owners had filed Notices of Intent representing 12.03 percent of the total area of their proposed annexation.

On June 20, 2011, the City Council accepted to accept both the Eastgate and Tamara Hills Notices of Intent to Petition for Annexation.

On October 14, 2011, owners of more than fifty percent of the assessed value of the area and of a majority of the registered voters residing in the proposed Tamara Hills annexation area submitted Petitions for Annexation. This representation exceeds the amount required to validate a Petition for Annexation under RCW 35A.14.120. The King County Assessor's Office certified the owner petition as sufficient on November 4, 2011.

On December 13, 2011, owners of more than fifty percent of the assessed value of the area and of a majority of the registered voters residing in the proposed Eastgate annexation area submitted Petitions for Annexation. This representation exceeds the amount required to validate a Petition for Annexation under RCW 35A.14.120. The King County Assessor's Office certified the owner petition as sufficient on December 19, 2011.

On January 25, 2012, staff submitted the Eastgate and Tamara Hills annexations, respectively, to the Washington State Boundary Review Board for King County (BRB) review under RCW 36.93.090. The BRB's process requires review and a 45-day waiting period, after which the annexation would be deemed approved which was on March 13 and March 23, 2012, respectively.

The Eastgate PAA's existing Comprehensive Plan designations are SF-H (Single Family-High), SF-M (Single Family-Medium), Multifamily-Low (MF-L) and Professional Office (PO). Tamara Hills' PAA existing Comprehensive Plan designations include SF-M. Comparable pre-annexation zoning including R-3.5, R-5, R-10, and PO has been established under Ordinance No. 3840 (Central Newcastle Pre-annexation Zoning).

The annexation procedure will be complete with adoption of an annexation ordinance which will establish an effective annexation date—the date on which these communities actually become part of Bellevue—of June 1, 2012. This is the date upon which service obligations ensue but also that the City begins to receive revenues from the newly-annexed areas.

### **EFFECTIVE DATE**

If adopted, this Ordinance becomes effective on May 29, 2012.

### **OPTIONS**

1. Take action on Ordinance No. 6059, annexing the South Bellevue – Eastgate and Tamara Hills Annexations.
2. Do not take action on Ordinance No. 6059. Declining the annexation will leave the areas in unincorporated King County.

### **RECOMMENDATIONS**

Adopt Ordinance No. 6059, annexing the South Bellevue – Eastgate and Tamara Hills Annexations.

### **MOTION**

Move to adopt Ordinance No. 6059, annexing the South Bellevue – Eastgate and Tamara Hills Annexations.
