Greetings Chair Kasner and Community Councilmembers,

The City of Bellevue is planning to assign an official street name to the private road located off of 140TH AVE NE, just northwest of NE 5TH ST. The road currently has an unofficial street name of Sunset Lane. The properties on this road are currently addressed on the 400 block of 140TH AVE NE. The new street name will be NE 5TH PL.

Readdressing along NE 5TH PL will conform with what the City has already done along NE 3RD ST and NE 2ND PL, to the south of NE 5TH PL, west of 140TH AVE NE. Individual property owners along NE 5TH PL will be asked if they would like to voluntarily change their street address. The addresses of the property owners who decline to change their addresses at this time will be added to address range signs on the street sign, which will be located at the intersection of NE 5TH PL and 140TH AVE NE, to facilitate way finding.

This change will allow the City of Bellevue to adequately provide addresses to properties going through Boundary Line Adjustments and Short Plats along NE 5TH PL, and will help first responders to arrive expediently to emergency calls. This change will not impact the use of any land or property along NE 5TH PL. Please feel free to contact me if you have any questions.

Respectfully,

Jami Carter
