SUBJECT: Transportation Element – Figure TR.2 Update for Travel Demand Forecasts
Comprehensive Plan Amendment (CPA) (09-113933 AC)

On October 6, 2009, the East Bellevue Community Council will hold a courtesy public hearing on review of the Comprehensive Plan Amendment related to updating references to Figure TR.2—Travel Demand Forecasts—in the Transportation Element. This amendment was initiated by the Bellevue City Council on May 18, 2009.

The Planning Commission has scheduled an October 28, 2009, public hearing date on this amendment.

Background

This city-initiated Comprehensive Plan Amendment (CPA) proposes to amend Figure TR.2 in the Transportation Element of the Comprehensive Plan, updating Travel Demand Forecasts because the information is out of date and needs to reflect Mobility Management Area (MMA) boundaries recently modified by the Bel-Red CPA.

Following the courtesy hearing, the Planning Commission requests any feedback or comments you have on the proposed amendments to the Transportation Element.

If you have any questions before the October 6 courtesy hearing, please call.
