

SHORELINE MASTER PROGRAM UPDATE

# OPEN HOUSE!

Join the City of Bellevue for an informative evening...

**LEARN** about the new state guidelines for Shoreline Master Program Updates. **HEAR** about key shoreline inventory and characterization findings. **PARTICIPATE** in a visioning exercise looking 20 years into the future for Bellevue's shorelines. **VISIT** information stations focused around general state requirements, restoration opportunities and techniques, reliance on existing residential regulations, marinas and specific property information.

**Thursday, May 21, 2009**

6:30pm - Presentation

7:15pm - Open House

Bellevue City Hall, 450 110<sup>th</sup> Avenue NE

You should attend if you:

- Enjoy water related activities such as boating, swimming, fishing, wildlife viewing.
- Would like to see improvement to shoreline public access.
- Have an interest in natural resource protection and water quality.
- Would like to learn more about shoreline restoration.
- Own shoreline property.

Shoreline  
Master Program  
UPDATE

**Future public meetings will be held with the Planning Commission.**
