

BELLEVUE FIRE DEPARTMENT

Open House 2014

October 4th, 10:00-4:00

Last year, we had over 4000 of our community members join us for a day at the fire house. This year, we will be introducing our "Junior Fire Marshal" program. This program encourages all of us to review the safety features in our homes to keep our families safe!

Please join us for a day of family fun at all 9 Bellevue Fire Department stations. Here are just a few of the happenings:

- Home fire safety trailer
- Residential sprinkler trailer demonstration
- Hands-only CPR introduction!
- Stove-top fire demonstration
- Tours, snacks and fun for all ages!
