

PACIFIC RIM BANKERS PROGRAM  
PROGRAM RECEPTION  
AUGUST 12, 2008

The Pacific Rim Bankers Program has been educating bank executives from around the world for over 30 years. The program, which is held at the University of Washington, is designed to enhance banking and decision-making skills in a changing global economy by addressing current challenges; to develop a network of business contacts; and to provide multicultural perceptions and understanding necessary to work with those contacts.

The 2008 offering of this program will host at least 40 bankers from China and Hong Kong, Indonesia, Malaysia, Philippines, Poland, Taiwan, Thailand, Turkey, and United States.

The Greater Seattle Chinese Chamber of Commerce, City of Bellevue, and the University of Washington are pleased to announce that we will be co-hosting a reception on August 12, 2008 for the participants attending the 2008 Pacific Rim Bankers Program.

The reception will provide these bankers and local businesses an opportunity to meet and make connections with each other.
