*This event is a session on planning in Washington State put on by the state department of Commerce. Members of other boards, the public and other jurisdictions are welcome to attend and participate. As this event will include more than a quorum of the Planning Commission it is being noticed as a Planning Commission special meeting. However, the meeting agenda does not include any Planning Commission business and there will be no formal opportunity for the public to address the Commission at this meeting. The next regular Planning Commission meeting is scheduled for June 13.*
