# Neighborhood Parking in Bellevue

---

- Residential Permit Parking Zone (RPZs) are generally the best approach to protect neighborhoods from spillover parking
- Policy rooted in the city's comprehensive plan
- Program managed by the Neighborhood Traffic Safety Services group

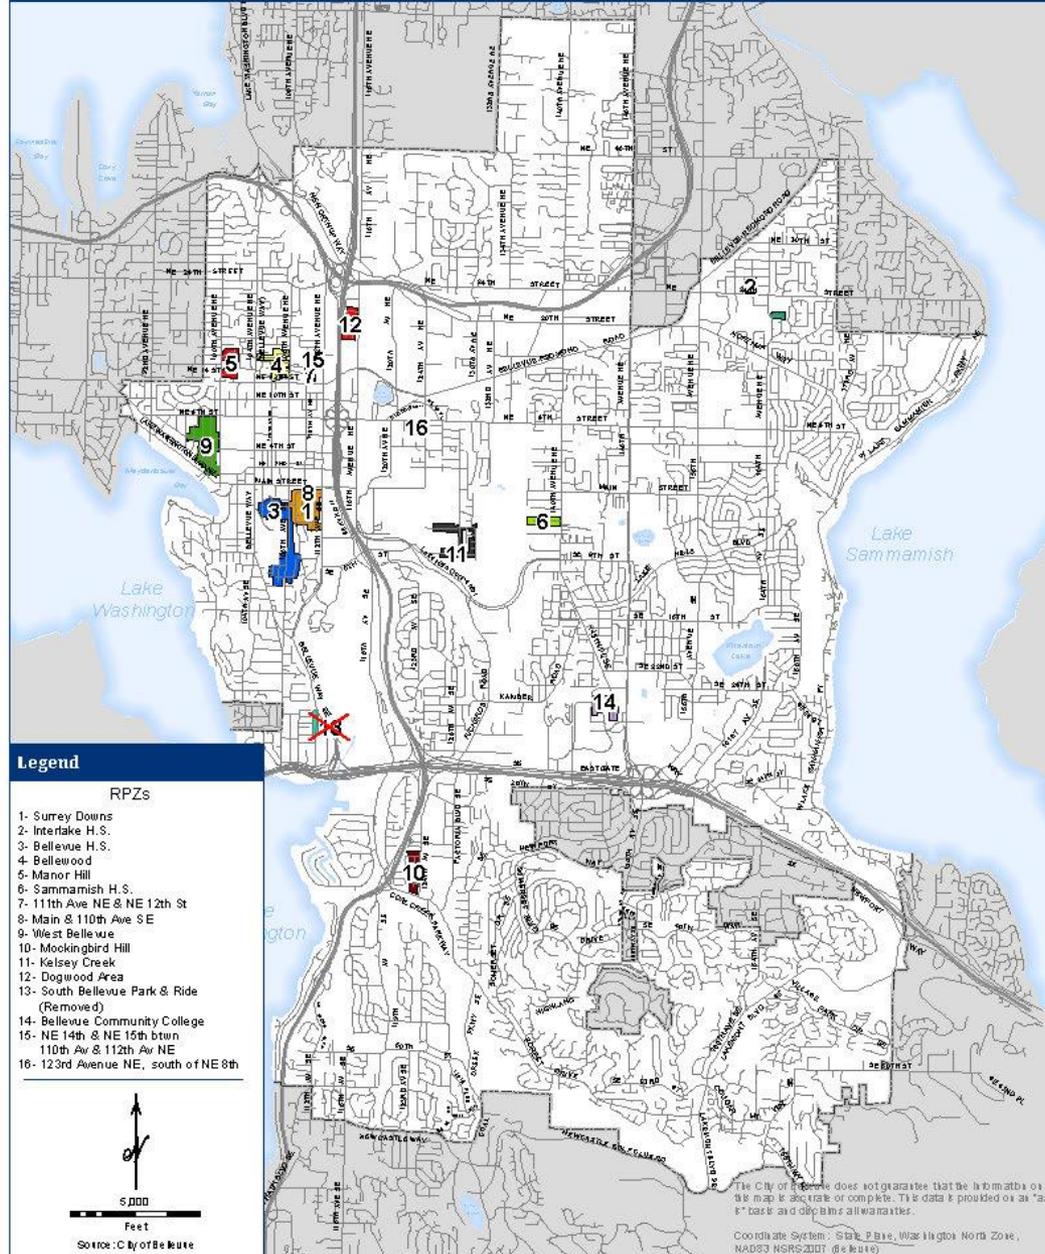

# RPZs in Bellevue

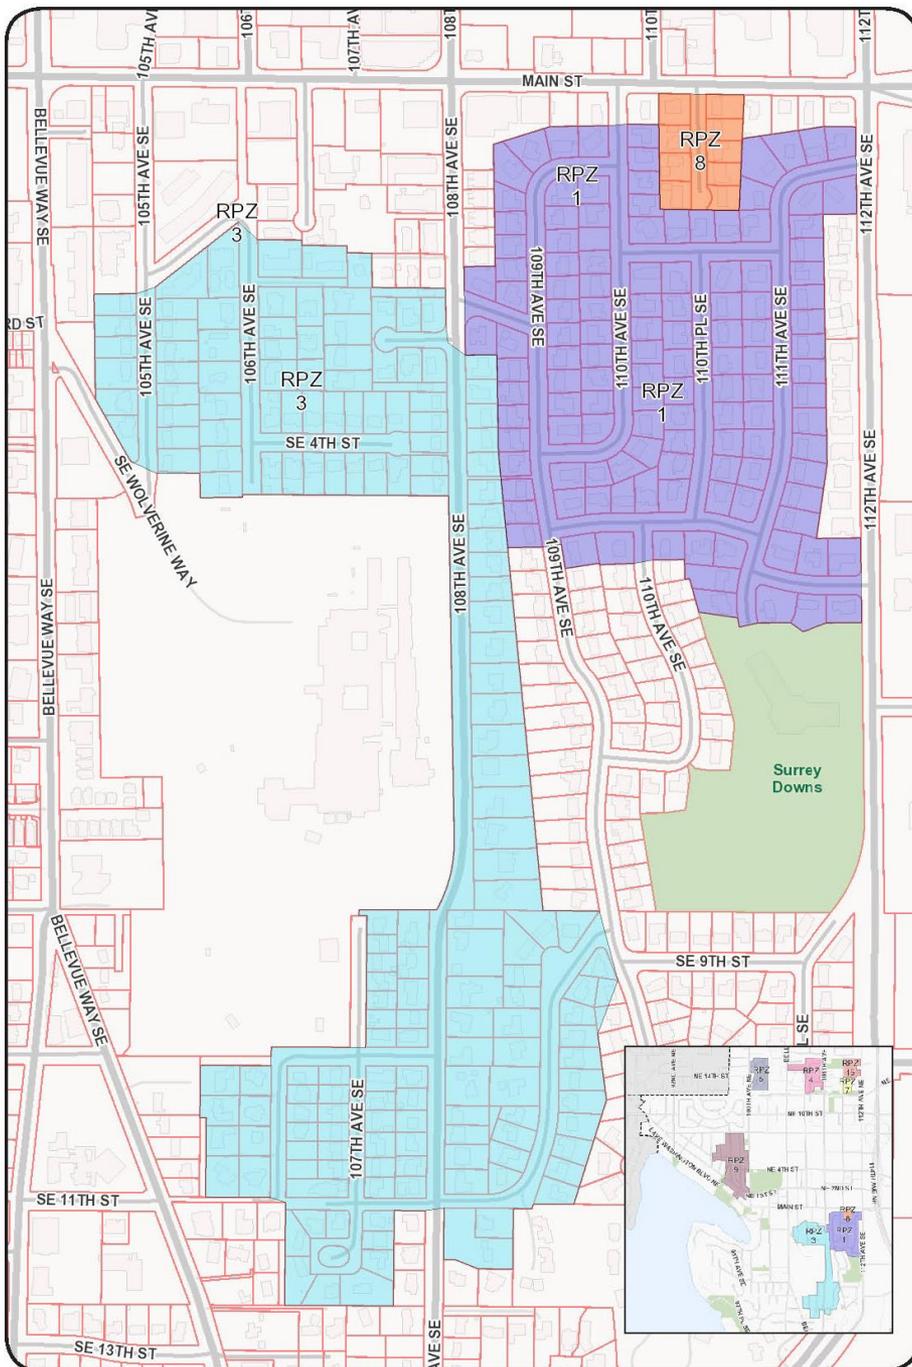

---

- Area established by a city ordinance to restrict non-residential parking on neighborhood streets.
- Residents and their guests are exempt from the restrictions if they are parking legally and displaying a RPZ permit.
- Permits: one for each registered vehicle
- Guests: up to 4 per household
- No fee to get a permit
- 15 RPZs in Bellevue

# Residential Parking Zones

**Zone 1**, implemented in 1985 to address concerns about downtown spillover parking; this was the first RPZ in Bellevue

- 126 parcels (113 registered citizens)
- No parking 8am to 6pm except Saturday, Sunday and Holidays
- Expiration: August 2013

**Zone 3**, implemented in 1988 to reduce student parking around BHS

- 172 parcels (118 registered citizens)
- No parking 7am to 4pm except Saturday, Sunday and Holidays
- Expiration: December 2016

**Zone 8**, implemented in 1993 to address concerns about downtown spillover parking

- 8 parcels (8 registered citizens)
- No parking 7am-8pm except Saturday, Sunday and Holidays
- Expiration: November 2016
- Zone 8 is not part of Zone 1 to ensure that Zone 1 permit holders wouldn't travel to the north end of the neighborhood and park on 110th PI SE

# Enforcement

---

- There is currently one parking enforcement officer for the city
- Enforcement is done on a complaint-basis
