RE: Bellevue Youth Theatre –Upcoming Temporary Closure, September 1-14th:

Bellevue Parks & Community Services is excited as they continue to work towards the completion of the new Bellevue Youth Theatre in Crossroads Park. The new 12,000 square-foot theater is designed to nestle into a hillside, seat up to a 150 in a black-box “theater in the round”, and provide stages for both indoor and outdoor performances. Environmentally innovative, the theater has a natural green roof, which will reduce the costs of heating and cooling the building.

The final closure for Crossroads Community Center will be from Sept. 1-14th We are working to ensure your enjoyment, safety, and the continued availability of programs and services. As the construction proceeds, we will work to keep you updated on our progress and changes that may impact your visit to Crossroads Community Center and Park.

We appreciate your patience during this time and will work to ensure a smooth transition throughout the project’s construction phase. We look forward to the grand opening of the Bellevue Youth Theatre in 2014. We are excited for the cultural and performing arts the Theatre will provide to the Crossroads neighborhood and greater Bellevue community.
