

Crossroads Community Center – 2014

July 4-20th – Construction Schedule- Modified Center Hours

Bellevue Parks & Community Services is excited as they continue to work toward the completion of the new Bellevue Youth Theatre in Crossroads Park. The new 12,000 square foot theatre is designed to nestle into a hillside, seat up to a 150 in a black-box “theatre in the round” and provide stages for both indoor and outdoor performances. Environmentally innovative, the theatre has a natural green roof, which will reduce the costs of heating and cooling the building.

We have modified Crossroads Community Center hours from July 4-20th due to construction. We will resume our regular hours July 21st from 9:00am-8:00pm. We are working to ensure your enjoyment, safety and the continued availability of programs and services. As the construction proceeds, we will work to keep you updated on our progress and changes that may impact your visit to Crossroads Community Center and Park.

Thank you for your patience during this time. We look forward to the grand opening of the Bellevue Youth Theatre in 2014. If you have any questions regarding programs or services please call Vicki Drake at 425.452.4874. For more information regarding the construction of the theatre, please visit the City’s website at http://www.bellevuewa.gov/youth_theatre_expansion.htm.
