

CHARACTER:

Beyond the program elements that might be in the park, what should the park character be?
What should the park feel like?

- Historic?
- Contemporary?
- Agriculture?
- Others?

OPERATIONAL ISSUES:

Often, throughout the masterplan process, issues regarding park operation and maintenance are raised. These issues can typically be addressed independent of the masterplan process. For example:

- Hours of operation?
- Maintenance?
- Others?
