Children, 12 and under, must be accompanied by an adult in the water and be within an arm's length distance at all times. One adult may accompany a maximum of two children. The general public may use the pool during Open Therapy swims, but Therapy patients have priority: you may be asked to relocate to the Blue Lagoon pool. During shaded times the pool is open only for those participating in the activities listed. During grey shaded times pools are open only for those participating in the activities listed. Swim lessons may occur during that time.

Lanes will not be sectioned off during "Open & Therapy" times, except for private lessons.
