FIRE HYDRANT OPERATION

If you encounter damage to the hydrant or experience any problems please call Bellevue Utilities as soon as possible so the necessary repairs can be made, 425-452-7840 (24 hours)

1. A hydrant permit is required to utilize any fire hydrant. Operate only the hydrant you are authorized to use.
2. Verify hydrant is shut off, remove the port cap and install meter and backflow assembly.
3. For any use where the connection to the fire hydrant does not involve filling with an inspected and approved Tank Lot vehicle the minimum requirement is the installation of an approved and tested DCVA. An increased level of protection may be required if connecting to a high health hazard. Test reports are required at the time the permit is processed.
4. Open the hydrant operating nut slowly, (one revolution per second) and completely. The gate valve on the hydrant port is to be used for throttling and the operating nut must be fully open to eliminate leakage through the hydrant drain valve.
5. When completed, turn the operating nut slowly to the closed position (Do not force).
6. Remove equipment, check for leaks, and replace port cap (Hydrant should drain empty).
7. Report any hydrant problems or damage immediately: 425-452-7840 (24 hours)
8. Return rental equipment to Bellevue Service Center Receiving: 2901 - 115th Ave. NE.

Failure to comply with the standard requirements can result in the immediate termination of this permit and the issuance of any applicable fines per Bellevue Civil Enforcement code chapter 1.18 and is subject to escalating enforcement including up to \$500 per day per violation and up to \$5,000 per day for repeat violations.

In addition to permit fees and equipment deposits, you are charged rental and water use at the following rates:

Permit Fee:	\$100.00
Water Use Charge:	\$5.88 per hundred cubic ft (ccf)
Wrench Deposit	\$25.00
Hydrant Meter Rental:	$\frac{3}{4}$ Meter \$100 Deposit / \$25.00 per month 3" Meter \$800 Deposit / \$50.00 per month

Operating equipment is checked out at Bellevue Service Center: 2901 115th Ave. NE, Bellevue

Fire Hydrant Use Permits are not issued without the consent of a Water Quality Specialist.
Call 425-452-5208 for scheduling inspections or questions regarding backflow assemblies.

Any billing questions to Elvie Muya, 425-452-6989

Tank Lot Quantity Reports must be submitted monthly to avoid cancellation of the permit:

City of Bellevue
Utilities RMCS
P.O. Box 90012
Bellevue, WA 98009-9012

See map for hydrant locations designated for Tank Lot use.
(Designated hydrants are painted blue for easy identification.)
