

## Utilities 24-Hour Emergency Response

Utilities provides round the clock service for emergencies such as those listed below. If you have a Utilities emergency, please contact the Utilities Operations and Maintenance 24-Hour Emergency Response line at 425-452-7840. Use this number also for non-emergency, maintenance issues between 7:00 and 3:30 p.m. or send an email to [Utilities Operations and Maintenance](#).

***Please do not expect an immediate response to emails sent after hours.***

- Flooding occurring now
- Sewer obstruction or overflows
- No water
- Water main breaks
- Pollutant spills in streams, lakes
- Illegal dumping, fish and wildlife kills
- Down or damaged stop or yield signs
- Hazardous road conditions
- Missing manhole covers
