Food Scraps

Food-Soiled Paper

Yard Waste

NO GARBAGE • NO PLASTIC BAGS OR PLASTIC CONTAINERS • NO PET WASTE

HOW TO COLLECT ORGANICS FROM YOUR KITCHEN

Collect your food scraps in a paper bag, newspaper, or Cedar Grove approved compostable bag and then place in your organics container. Visit: cedar-grove.com/commercial/accepted-items/

Approved compostable bags may look like regular plastic, but they are made of plants, so they compost.

DO NOT put any plastic bags, plastic containers or pet waste in your organics cart.
