# WASHING THE FLEET?

## NOTHING BUT RAIN DOWN THE STORM DRAIN

**STORMWATER RUNOFF IS NOT TREATED** and is the leading source of water pollution in our community. Runoff flows directly from the storm drain into local streams and lakes.

Many business activities can contribute to stormwater pollution. YOU can help keep pollutants out of our streams and lakes and reduce the hazards to people and fish!

**Remember - Nothing But Rain Down The Storm Drain.**

Call City of Bellevue Utilities at 425-452-6932 for more information

Produced with funding by the King Conservation District.
