

Coal Creek Parkway

CULVERT REPLACEMENT PROJECT

Construction of a new bridge begins in April 2013
Expect long-term lane closures in 2013 and 2014

Open House

Thursday,
November 15, 2012

5 to 7 pm

Bellevue City Hall,
Room 1E-108

The City of Bellevue invites you to attend a public open house to learn about the new bridge being constructed on Coal Creek Parkway.

- View the plans for the new bridge, streambed, and trail access
- Learn about the construction schedule and Coal Creek Parkway lane closures
- Find out how to stay informed during construction
- Share your ideas about how we can reduce construction impacts
