Comments summary

Concerns Over	City Response
Locating a home occupation in Surrey Downs neighborhood	The City allows home occupations to be located in residential neighborhoods, including Surrey Downs. The limitations placed on Home Occupation permits per LUC 20.30N make the proposed impacts similar to other residential activities.
Impacts on private ingress/egress easement used to gain access to 109th Ave SE	The applicant and guests will not be allowed to park within the ingress/egress easement.
Traffic and crime	The proposed hours of operation are 11am to 5pm, Tuesday, Wednesday, and Thursday. The home occupation limits client visits to a maximum of 6 per day and does not allow more than one client (unless family arriving in a single vehicle) on the premises at any one time. These limitations make the proposed impacts similar to other residential activities.
