

**124th Ave NE: Proposed NE 15th Street to Northup Way**  
***Preliminary Design Concept***  
**Public Comment Sheet**

**Questions:**

1. Are you satisfied with the approach and the criteria staff used to reach the preferred alternative?"

Yes

No

Why?

---

---

---

2. Considering the pros and cons of the monopole and lattice transmission tower alternatives which alternative do you prefer?

Monopole Transmission Tower

Lattice Transmission Tower

Why?

---

---

---

3. One major element that is different between the alternatives is the inclusion of a multipurpose pathway versus a sidewalk on the west side of 124th. Which do you prefer?

Multipurpose Pathway (12 foot)

Sidewalk (8 foot)

Why?

---
