Natural Yard Care Workshop Schedule

Mark Your Calendars!

Our workshops teach you how easy and rewarding natural yard care can be. They're fun, informative, and FREE! Each workshop is open to the public.

Workshop 1: Start Right
Tuesday, April 21, 7-9 pm

Any beautiful landscape starts with good design, and a natural yard is no different. In his Natural Yard Care Design presentation, King County's Doug Rice, landscape architect and co-host of *Yard Talk* on KCTV, will share professional advice and resources. Lisa Taylor of Seattle Tilth will discuss the importance of Growing Healthy Soil. You'll learn how to improve your yard's soil—and grow more attractive, robust plants—by mulching and composting.

Workshop 2: Plant Smart
Tuesday, April 28, 7-9 pm

Ladd Smith from In Harmony is one of our region's most knowledgeable Natural Lawn Care experts. He'll discuss mulch mowing, slow release fertilizers and other natural ways to grow a beautiful, healthy lawn. This session also offers natural yard design options that don't rely on having a lot of lawn. Presenter Peggy Campbell, formerly with Molbak's, has 25 years' experience sharing fun, practical tips for Northwest gardens. Peggy will help you choose striking plants that will thrive in your yard's soil and sun conditions with Right Plant, Right Place.

Workshop 3: Natural Care
Tuesday, May 5, 7-9 pm

Watering expert Howard Stenn from Stenn Design presents a session brimming with excellent suggestions about how to use less water in your yard and garden. In his Smart Watering presentation, you'll learn tips about different watering methods, irrigation and mulching. We'll round out the series with Natural Pest Control. Find out how to have a naturally healthy, pesticide-free garden from EJ Hook, and hear professional secrets about natural care—all collected during EJ's years of work at the Woodland Park Zoo.

You could win free natural yard care products and services!

At each workshop we will randomly draw from the names of everyone present for great natural yard care prizes, such as an expert yard consultation and a mulching mower! *(Must be present to win.)*

Location:

Bellevue City Hall, Room 1E-108, 450 110th Avenue N.E.
