

What Is Neighbor Link?

A partnership between your neighborhood and the City of Bellevue to promote neighborhood involvement and community building.

- L**end a hand to meet community needs
- I**dentify a project for your neighborhood
- N**eighbors get hands-on involvement
- K**now you have made a difference!

How Does Neighbor Link Work?

Gather your neighbors and choose a project that builds community in your neighborhood or benefits the greater community. Participating neighborhoods will be invited to a gala summer picnic on the lawn at City Hall on July 23 AND may receive a "Party-in-a-Box" to assist with their own neighborhood celebration.

Some Qualifying Projects:

-  Participate in the "End Summer Hunger" Food Drive
-  Hold a neighbor-helping-neighbor event—weeding, painting, repair
-  Adopt-a-cause: sponsor a child for summer camp, pay a needy family's utility bill, provide school supplies for needy kids
-  Cultivate a garden—adopt a community plot at Crossroads Pea Patch
-  Compile a neighborhood directory – connect your neighbors for emergencies and shared resources
-  Brainstorm a community project of your own—Outreach will help make it happen
-  Neighbor Link participants are eligible for Neighbor Link awards. Top awards include a catered event for your neighborhood, provided by Neighbor Link sponsor, Whole Foods Market of Bellevue.

Celebrate With Party-In-A-Box!

Customized for your neighborhood celebration and ready for you to pick up. Great for your neighborhood picnic, ice cream social or block party. Party-in-a-Box can include:

- Neighborhood Banner
- Promotional Items
- Cake
- Games
- Goodie Bags
- Live Entertainment
- Themed Decorations
