MEMORANDUM OF UNDERSTANDING
To the 2011 – 2013 Agreement by and between
City of Bellevue
And
International Brotherhood of Electrical Workers, Local 77

This Memorandum of Understanding (MOU) supplements the 2011 – 2013 AGREEMENT by and between the CITY OF BELLEVUE, hereinafter referred to as the “Employer” and the International Brotherhood of Electrical Workers, Local 77 hereinafter referred to as the “Union”.

This MOU memorializes the agreements reached between the Employer and Union following negotiations for a successor labor agreement. The parties acknowledge that these negotiations are in accordance with the provisions of 41.56 RCW.

A. Furloughs:
1. Unable to reach agreement in 2012 and recognizing a cost savings to the City, the parties agree to adopt the City’s 2012 Furlough Programs for bargaining unit members in 2013 as follows:
   a. Mandatory Furloughs – shall be taken consistent with City Policy, Frequently Asked Questions and Guidelines for non-represented employees (as communicated to all City staff on February 13, 2012), unless otherwise provided below. 24 hours of furlough time-off without pay shall be taken no later than June 30, 2013 for the 2012 furlough program.
      i. Option 1: A combination of furlough time off without pay and giving back banked vacation hours and/or earned compensatory time to the City with a minimum of eight (8) hours of furlough leave taken and a maximum of 16 hours banked vacation hours and/or earned compensatory time given back to the City. The afore mentioned hours/time shall be given back to the City no later than June 30, 2013. Bargaining unit members shall have until June 30, 2013 to take unpaid furlough time off to fulfill the 2012 furlough program.
      ii. Option 2: A combination of furlough time off without pay and giving back the two (2) Floating Holidays and/or earned compensatory time to the City with a minimum of eight (8) hours of furlough leave taken. The afore mentioned holidays/time shall be given back to the City no later than June 30, 2013. Bargaining unit members shall have until June 30, 2013 to take unpaid furlough time off to fulfill the 2012 furlough program.
   b. In order to satisfy the 2012 mandatory furlough obligation, bargaining unit members are allowed to defer taking these days to 2013. The furlough declaration period for bargaining unit members shall commence upon last date signed by the parties below through June 30, 2013.
c. Voluntary Furloughs — may be taken consistent with City policy (HRRPM 10.16) which provides for 2012 a maximum of 40 hours. The Voluntary Furlough program is subject to approval by the City Manager for 2013.

2. Employees may schedule mandatory and voluntary furlough time off in a minimum of 4 hour increments. Furlough leaves will be scheduled like vacation leave.

3. Furlough time-off shall be applicable to all bargaining unit members, including partially benefited (Temporary and 1040s) and Limited Term Employees within the bargaining unit. However for this Furlough program, furlough time shall only be required of bargaining unit members who are employees as of the effective date of this MOU.

4. There will be no proration of the 24 hour furlough requirement for part time or temporary bargaining unit members.

5. The paycheck for the payroll period in which furlough hours are taken will be reduced by the number of furlough hours taken.

6. To the extent applicable to a retiring bargaining unit employee, the city will certify as allowed by Washington State Department of Retirement Systems DRS or law that the furlough required by this MOU was an integral part of the employer’s 2012 expenditure reduction efforts.

B. 2011 – 2013 Labor Agreement Extension
1. The parties agree to a one year extension of the provisions of the 2011-2013 labor agreement through December 31, ’2014, which shall also include the following:

   a. Effective January 1, 2014, the monthly rates of pay which were effective as of January 1, 2013, shall be increased by ninety percent (90%) of the percentage increase in the Seattle-Tacoma-Bremerton area Consumer Price Index annual change from June 2012 to June 2013. The Index used shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), all items as published by the Bureau of Labor Statistics.

   b. The same premium sharing percentage formula for City of Bellevue’s Core Plan (health benefits) stated in Article 13.1.5 for 2012 and 2013 shall apply in 2014.

   c. Article 12 Sick Leave and Other Leaves of the Collective Bargaining Agreement shall be amended to read as follows, effective upon date of signing by last party:

      12.1 Sick Leave

      Sick leave shall be available to employees after they have worked for a minimum of three (3) consecutive calendar months from their most recent date of hire.

      12.1.1 Sick leave must first be earned as a result of completed service with the Employer.

      12.1.2 Employees shall accrue sick leave at the rate of 8 hours for each completed calendar month of service.

      12.1.3 Sick leave may accumulate until claimed and used up to a maximum of 1,440 hours only.
12.1.4 Employees who use a scheduled work day or less of sick leave in a calendar year shall be granted a scheduled work day off during the succeeding calendar year on a date mutually agreed upon between the employee and the Employer.

12.1.5 If the absence claimed as sick leave does not exceed three (3) days, no doctor's certificate shall be required to accompany the request for sick leave unless required by the Supervisor or Department Head. Requests for sick leave in excess of three (3) days shall be accompanied by a doctor's certificate or other satisfactory proof of sickness or injury, unless waived by the Employer.

12.1.6 Employees have the right to supplement sick leave with accrued but unused paid time off. Employees not on time loss under Workers' Compensation shall exhaust all of the above accrued sick leave and/or vacation time before being placed on a leave of absence without pay if the employee is unable to return to work for medical reasons consistent with 12.3. Section 10.23.2 of the Human Resources Policies and Procedures Manual (HRPPM) shall govern all personal unpaid leaves of absence. HRPPM Section 10.23.3 governs accrual of sick leave and vacation while on unpaid leave.

12.1.7 Personal illness or physical incapacity resulting from causes beyond the employee's control, forced quarantine of employee in accordance with State or community health regulations and qualifying reasons under the Washington State Family Care Act are the only approved grounds for sick leave.

12.1.8 Continuance of sick leave pay during absence from duty shall be contingent upon the employee or someone on his/her behalf notifying his/her immediate supervisor of the reason for absence as soon as possible prior to the start of his/her regular work shift on each day off duty.

12.1.9 In a case in which an employee shall be entitled to benefits or payments under any program of disability insurance furnished by the Employer, Workmen's Compensation Act, or similar legislation of the State of Washington, or any other government unit, the difference between the benefits and payments received under such insurance or act by such employee and his/her regular rate of compensation that he/she would have received shall be taken from the employee's sick leave balance. The foregoing payment or contribution by the Employer shall be limited to the period of time that such employee has accumulated sick leave credits as here and above specified.

If the employee has exhausted sick leave and does not desire to have other paid leave utilized to supplement workers' compensation payments, it shall be the employee's responsibility to notify the appropriate authority in writing prior to exhausting sick leave. Otherwise, the Employer will automatically utilize other paid leave earned by the employee to accomplish the purposes of this section.

12.1.10 Accrued but unused sick leave shall have no cash value except at the time of normal service retirement. At such time the employee shall be eligible to receive 10% cash payment of such leave but not to exceed a maximum of 1440 hours.
12.1.11 Employees are expected to be on the job, and on time, unless excused by their supervisor or department head. Periodic review of employee's attendance records shall be made. Excessive absenteeism or tardiness, or use of sick leave for purposes other than those provided for in this Agreement shall result in disciplinary action against the employee.

12.2 Other Leaves

12.2.1 Bereavement Leave – A regular employee may use up to a total of 40 hours of paid administrative leave per occurrence in the event of death in the employee’s immediate family. It is expected that such leave will be taken during or within 60 days of death, or longer with Human Resources Director or designee review and approval. Leave is pro-rated by an employee’s FTE. (This amendment shall not be retroactive.)

12.2.2 Family and Medical Leave – The City will follow the provisions of the federal Family and Medical Leave Act of 1993 (FMLA), the Washington Family Leave Law and the Washington Family Care Act as applicable.

12.2.3 Jury or Witness Leave – Necessary leave shall be allowed by the City Manager to permit any employee to report for duty to serve as a member of a jury, or as a non-party witness to an incident arising while the employee is performing his/her duties assigned by the Employer. The employee shall receive from the Employer, as compensation during this leave period, the amount of his/her regular salary over the compensation received by the employee for such jury duty. Employees shall be required to report for work for any portion of their regularly scheduled shift during which they are not actually serving on a jury or waiting to be impaneled.

12.2.4 Domestic Partner FMLA-Like Leave (NEW): The Family and Medical Leave Act does not cover employees’ domestic partners or the children of domestic partners. However, the City will allow employees with domestic partners FMLA-like leave according to HRPPM 10.17.1.1 as of June 14, 2012.

12.2.5 Qualifying Military Exigency Leave (NEW) will be provided to employees as allowed by law.

12.3 Medical Leave of Absence (NEW)

12.3.1 After an employee has exhausted his/her Family and Medical Leave (or is not eligible for Family or Medical Leave) an employee may make a written request for medical leave of absence. The Employer shall only grant leave of up to 3 additional months after FMLA (or for those not eligible for FMLA, initial 3 months of medical leave), if the employee is (1) undergoing prolonged medical treatment or convalescence, (2) there is medical evidence the employee is likely to be able to return to work at the end of the leave, and (3) the employee does not have a history of sick leave abuse or excessive sick leave use for relatively minor problems. The employee shall use accrued sick leave, and then vacation before going on unpaid status except as provided in 12.1.9.

12.3.2 At the end of the initial or additional 3 month period, the employee may make a written request to extend their medical leave of absence. The Employer may grant leave of up to 6 additional months if the employee 1) has available paid time (sick leave or vacation), (2) is undergoing
prolonged medical treatment or convalescence, (3) there is medical evidence the employee is likely to be able to return to work at the end of the leave, and (4) the employee does not have a history of sick leave abuse or excessive sick leave use for relatively minor problems. Should an employee meet all criteria but does not have paid time, the Employer has the discretion to grant said leave of up to 6 months, provided the Union shall not cite these instances against the City as a practice, precedent or ability to accommodate in any administrative proceeding or civil litigation.

12.3.3 The Employer shall not be required to employ an employee on medical leave of absence for longer than 12 months from the day the employee was first absent on leave (including FMLA leave), whether the leave is paid, unpaid or a combination of both. Such medical leave of absence may be extended at the sole discretion of the Employer. The Employer may terminate an employee who is on leave prior to 12 months where medical evidence shows the employee is unable to return to his/her position and/or the Employer otherwise has cause for termination. Should the Employer grant leave to an employee that is longer than the maximums provided in this Article, the Union shall not cite these instances against the City as a practice, precedent or ability to accommodate in any administrative proceeding or civil litigation.

Notice: Within two weeks of the start of an approved medical leave of absence under this Section, the Employer will provide the employee (copy to the Union) a notice that includes information on the ability to return to work with or without reasonable accommodation, the interactive process and the maximum duration of leave under this Section.

12.3.4 Reinstatement to a position shall be subject to physical and mental fitness of the employee. Upon returning to work, the service credit date of the employee shall be adjusted for the unpaid portion of such medical leave of absence rounded to the nearest whole month.

12.3.5 When a medical leave of absence is granted, the Employer may require periodic physician's statements certifying that the employee cannot report to work for medical reasons. If the employee does not obtain a certificate, he/she may be required to report to work on a specific date.

12.3.6 An employee failing to return to work from a medical leave of absence on the specified day may be terminated. An employee returning from a medical leave of absence shall be placed in the first available position in the bargaining unit for which the employee is qualified.

12.4 Continuation of Benefits While on Leave of Absence (NEW):

This section pertains only to the terms and conditions that allow medical, dental, and vision benefits to continue while on a leave of absence. It is separate from the leave application and approval process.

Employees who are enrolled in benefits and who have worked for the City at least one year are eligible for continued medical, dental, and vision insurance in the following circumstances:
12.4.1 **Family Medical Leave (FMLA)** - While on approved FMLA or FMLA-like leave, either in a paid or unpaid status.

12.4.2 **Paid Leave** – Employees who have exhausted their FMLA or FMLA-like leave or employees not eligible for FMLA or FMLA-like leave and who have approved paid leave of at least 90 hours* on the first day of that calendar month.

*Medical, dental and vision insurance will continue through the end of the month in which the employee has at least 90 hours of paid time on the first day of that calendar month, unless item 12.4.4 below applies. The employee must maintain their regular schedule and use available paid time during leave. Employees cannot elect to use 90 hours paid time each month to prolong their eligibility period.

12.4.3 **Workers' Compensation Leave** - medical, dental and vision will continue only if the employee continues to receive any paid time from the City of Bellevue (e.g. sick, vacation) in addition to time loss payments received through Workers' Compensation unless item 12.4.4 below applies.

12.4.4 During a medical leave, if the employee is unable to pay their portion of the contributions through payroll deduction, the Employer shall pay both the Employer and the employee portions of contributions for employee and/or employee and dependent medical, dental and vision insurance for up to six (6) months in any twenty-four (24) consecutive month period. Such benefit shall be administered concurrently with Section 12.2.2 (FMLA) and HRPPM 10.23.1 (Medical Unpaid Leave).

12.4.4.1 Unable to pay their portion of contributions will mean that an employee is no longer receiving paid time from the City of Bellevue (e.g. sick, vacation) and it does not include time loss payments received through Workers’ Compensation.

12.4.4.2 6 months will mean a total of six (6) one-month periods that the employee is unable to pay medical, dental, and vision contributions via regularly scheduled payroll deductions.

12.4.4.3 Medical leave will mean illness or injury of the employee (non-work related and work-related).

12.4.4.4 Two (2) year period will be determined by looking back from the current calendar month.

12.4.5 **Eligibility for other insurance**, such as life or disability insurance shall be in accordance with the criteria established by the insurance vendor.

12.4.6 **Premium Payments**: In the event the employee is unable to pay his/her portion of the medical, dental, and vision premium through payroll deduction, the City will make the payment for the employee’s portion of premium and collect his/her portion back from the employee upon his/her return to work.
12.4.7 **End of Coverage:** City-paid coverage for medical, dental, vision insurance ends on the last day of the calendar month in which an employee terminates or changes to an ineligible status. Employees not eligible for FMLA or FMLA-like leave but who have approved paid leave will lose coverage effective the first day of the calendar month the employee does not have 90 hours of paid leave unless otherwise stated above.

12.4.8 **Reinstatement of Coverage:** In the event the employee's medical, dental, and vision insurance ended, coverage will be reinstated effective the first day of the calendar month immediately following the date the employee satisfies the plan eligibility requirements.

   a. **Article 13.1.8 Group Health Cooperative shall be replaced with the following language:**

      13.1.8 **Group Health Cooperative Premium Cost Sharing:** For 2014, the Union adopts the City's premium share methodology for Group Health based on the percentage of the total premium the employee paid in year 2013.

      **For 2014,** the Employee shall pay the following percentage of the total cost of the plan:

      - 5.83% for Employee Only
      - 15.08% for Employee and Spouse/Domestic Partner
      - 11.72% for Employee and Child(ren)
      - 16.43% for Employee + Spouse + Child(ren)

   b. **Article 13.4 Leaves of Absence — Continuation of Benefits** shall be deleted and replaced with the above new Article 12.4.

THIS AGREEMENT sets forth the entire agreement by and between the CITY OF BELLEVUE, WASHINGTON hereinafter referred to as the "Employer" and INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS LOCAL UNION NO. 77 hereinafter referred to as the "Union".

ARTICLE 1 - RECOGNITION, DEFINITIONS, UNION MEMBERSHIP, AND PAYROLL DEDUCTION

1.1 Recognition – The Employer recognizes the Union as the exclusive bargaining representative for the regular full-time and regular part-time employees as certified by the Public Employment Relations Commission on October 28, 1981. The positions are set forth in Appendix A.

In addition to regular employees, the bargaining unit shall include limited term employees (LTEs) in positions listed in Appendix A.

LTEs shall be consistent with Council Ordinance No. 5187, establishing the employee category of fixed term employee. Such LTEs shall not supplant nor substitute for the existing regular workforce. It is the Employer’s intention to temporarily supplement capacity and not displace members of the bargaining unit.

1.2 Limited Term Employee – It is understood and agreed by and between the Employer and the Union that in addition to regular full-time and part-time employees, the bargaining unit shall include Limited Term Employees (LTE). This category of employees shall be consistent with Bellevue City Council Ordinance No. 5187, as signed November 29, 1999, establishing the category of Fixed Term Employee except as modified herein.

1.2.1 A Limited Term Employee is an employee hired into a full or part-time position for a specific project with a specific ending date. The position shall last only for so long as the project or specific need for which it was created exists, but in no event longer than three (3) years. Any employee working as a Limited Term Employee shall be an at-will employee and shall only be entitled to the following benefits, on the same terms and conditions as a newly hired regular status employee:
   a. Health Insurance
   b. State Retirement (PERS)
   c. Holiday Pay
   d. Vacation Leave
   e. Sick Leave
   f. Bereavement Leave
   g. Eligibility for Municipal Employees Benefit Trust (MEBT).
   h. MEBT vesting, accelerated vesting, and all other provisions of MEBT shall be according to the MEBT plan document.

1.2.2 Limited Term Employees, by definition, will be let go on or before the expiration of their limited term assignment. As such, Limited Term Employees’ separation from service does not constitute layoff and they shall not be eligible for layoff/recall rights or benefits upon termination.

1.2.3 Limited Term Employees may apply for any open position with the Employer, including a regular Full Time Equivalent position. The Limited Term Employee shall receive the same consideration and review as any other “in-house” candidate, for any open position, provided they are employed with the Employer at the time they apply for the position.
1.2.4 If a Limited Term Employee is hired into a regular Full Time Equivalent position while still employed by the Employer or within 60 calendar days following a separation of employment from the Employer, their service credit date, for all purposes, shall be established as the original date of hire as a Limited Term Employee (subject to 1.2.1, item g. – MEBT Eligibility).

1.2.5 If a Limited Term Employee has a separation of employment from the Employer and is later hired into a subsequent Limited Term position, his or her service credit date, for all purposes, shall be established as the date of hire in the subsequent Limited Term position and no prior service credit shall be granted.

1.2.6 Limited Term Employees shall be hired at a pay step consistent with Appendix A.

1.2.7 Limited Term Employees shall be let go prior to regular employees within the affected classification, being laid off, and in reverse order of service among Limited Term Employees, provided that those remaining within the affected classifications can provide equal qualifications and job performance.

Temporary and “1040” employees shall not be members of the bargaining unit. Temporary and “1040” employees shall be defined according to the City of Bellevue Employment Status Definitions on the Human Resources Department intranet website and all rules in those definitions shall apply. Temporary and “1040” employees having the same titles as positions in Appendix A shall be paid pursuant to the wage schedule set forth in Appendix A. Such Temporary and “1040” employees shall not supplant nor substitute for the existing regular workforce. It is the Employer’s intention to temporarily supplement capacity and not displace members of the bargaining unit.

1.3 Union Membership – Any Regular and Limited Term employee covered by this Agreement shall, within thirty-one (31) days following his/her first date of employment, as a condition of employment, become a member of the Union and pay the initiation fee and periodic membership dues uniformly levied against all Union members provided that any employee covered by this Agreement who does not wish to become or remain a member of the Union shall, as a condition of employment, pay a service fee to the Union which shall not be greater than an amount equivalent to the initiation fee and periodic dues uniformly levied against all Union members.

1.4 Payroll Deduction – Upon written authorization of any employee within the bargaining unit, the Employer shall deduct from the pay of such employee the monthly amount of dues or service fees as certified by the Union and shall transmit the same to the Secretary-Treasurer of the Union. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.

ARTICLE 2 - BULLETIN BOARDS AND UNION BUSINESS

2.1 Bulletin Boards – The Employer shall provide suitable bulletin board space for the posting of notices of non-controversial/non-political nature relating to Union business.

2.2 Union Business – An employee in the Bargaining Unit (Shop Steward and/or a member of the negotiating committee) may be granted time-off while engaged in local Union business or negotiations provided:
They notify the Employer in writing at least forty-eight (48) hours prior to the time-off period;
The Employer is able to properly staff the employee’s job duties during the time-off period;
The wage cost to the Employer is reimbursed by the Union and the Employer is not forced to work with other employees on overtime status; and
Employees in the bargaining unit shall not transact Union business while working on shift which in any way interferes with the operation or normal routine of any department.

ARTICLE 3 - HOURS OF WORK

3.1 Work Week – At the discretion of the Employer, the seven-day workweek for full-time employees shall consist of five consecutive 8-hour days, Monday through Friday inclusive, exclusive of the meal period, or other workweek schedules (example, four consecutive 10-hour days, or 9/80 schedule) mutually agreeable to the employee and the Employer.

3.2 Work Day – The determination of the normal work day shall be established by the Employer. The normal workday currently consists of 8 consecutive hours of work between 6:00 a.m. and 5:00 p.m., with a 30-minute lunch period and two 15-minute rest breaks.

3.3 Rest Breaks – The Employer shall provide each employee with a fifteen (15) minute rest break during the first four (4) hour period of the workday and a second fifteen (15) minute rest break during the second four (4) hour period of the workday.

3.4 Meal Periods – The Employer shall provide each employee with an unpaid one-half (½) hour for a meal between the third (3rd) and fifth (5th) hour of each shift. See Article 4.3 for meal periods during certain overtime shifts.

3.5 Alternative Work Schedules – The fifteen (15) minute rest breaks and one-half (½) for a meal period for alternative work schedules shall otherwise be administered at intervals as required by applicable state law.

3.6 Shift Change – When the Employer determines that it is necessary to alter the normal work day hours or work week (i.e. 3.1, 3.2), there will be three (3) calendar days’ notice given prior to the change. When the normal work day hours are changed due to a customer need, the changed hours (including duration) will be worked and paid in its entirety. This provision shall only apply to non-emergency alterations in the normal work day hours or work week.

ARTICLE 4 - OVERTIME AND STANDBY

4.1 An employee who is authorized and required to work overtime is entitled to one and one-half times his/her regular rate of pay, equivalent compensatory time off equal to one and one-half time, or a combination thereof at the discretion of the department director or his/her designee. Overtime is defined as hours compensated in excess of forty (40) hours per week and eight (8) hours per day unless an alternate work schedule has been established for a particular work unit or individual. “Regular rate” is defined as the base rate contained in Appendix A, as well as all other overtime or premium (working out of class) pay.
4.1.1 Overtime shall be computed in fifteen-minute (.25 hours) increments with the major portion of fifteen (15) minutes being paid as fifteen (15) minutes.

4.1.1.1 Double Overtime – All overtime performed in excess of twenty-four (24) hours per calendar month shall be paid at two (2) times the employee’s regular hourly rate of pay.

4.1.2 Compensatory time in lieu of overtime pay may be accrued at the option of the employee up to a maximum of 36 hours (i.e. 24 hours at time and one-half.) Scheduling of any compensatory time off shall be at a time mutually agreeable to the employee and the Employer, or paid out at the end of the year.

4.1.3 Call Back – An employee who has left work and is called back to work after completion of his/her regular day’s shift shall be paid a minimum of three (3) hours at one and one half (1.5) times his/her regular rate of pay; provided, however, if the employee’s regular shift starts less than two (2) hours from the time he/she started work on the call back, he/she shall receive one and one half (1.5) times his/her regular rate of pay for only such time as occurs before the commencement of his/her regular shift. Employees who are called back to work shall decline call back if the employee is not fit for duty.

4.2 Standby – An employee who is required to be available and subject to call shall receive a Standby Duty Allowance of 10% of Step 6 of the 100% Journey Level hourly rate of pay for each hour the employee is required to be available and subject to call. When an employee is required to be on Standby, the employee will be paid for the agreed upon Standby hours. Employees on Standby shall be provided with a communications device in order to respond to call-out without undue restrictions on activities. Neither the Standby Duty Pay nor Standby Duty Hours shall be calculated into the “regular rate” or “hours worked” for overtime payment purposes. Employees who are called out on weekends, holidays, or evenings shall be compensated at the Callback rate which shall be in addition to the Standby Duty Allowance. Because of the City’s obligation to public safety and in accordance with the legislative intent of applicable federal regulations, those employees on standby pay shall be expected to be ready to report if called, and shall not be paid for standby duty if in a call-out situation the employee is not fit for duty. Employees on standby who are called back to work shall decline call back if the employee is not fit for duty.

4.3 Meal Breaks – Meal breaks during overtime assignments will be in accordance with WAC 296-126-092. When such meal breaks are taken by employee(s), the City shall reimburse such employees for reasonable out-of-pocket expenditures for meal(s).

4.4 Emergency Calls – Employees who are qualified and possess the knowledge to handle emergency call backs over the telephone may choose to do so. Emergencies handled in this manner shall be compensated at two (2) hours at the employee’s time and one-half (1.5) rate of pay. Compensation requests for multiple calls shall be at the discretion of the Employer and shall be reviewed on a case-by-case basis, using a "reasonable person" standard.

ARTICLE 5 - NON-PYRAMIDING

5.1 Premium or overtime pay will not be duplicated or pyramided unless required by FLSA. In no case will premium or overtime pay be based on other than the straight time rate of pay, unless otherwise required by FLSA. Compensation received by any employee for reasons other than work actually performed at the employee’s City job assignment, including but not
limited to sick leave, vacation leave, funeral leave, compensating time, civil and military leave shall not be pyramided one with another nor added to compensation for actual work performed during an employee's routine work schedule.

ARTICLE 6 - EMPLOYER RIGHTS AND PROTECTIONS

6.1 Employer Rights and Protections

6.1.1 The Employer retains the full and unrestricted rights to operate and manage all staffing levels, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct and determine the number of personnel; to establish work schedules, and to perform any inherent managerial function not specifically limited by this Agreement.

6.1.2 Nothing in this Agreement shall prohibit or restrict the right of the Employer from executing an administrative decision to subcontract out work performed by employees covered by this Agreement. The Employer agrees to meet with the Union and discuss the effect of any temporary subcontracting decision upon employees covered by this Agreement.

6.2 Performance of Duty

6.2.1 The Employer and the Union agree that the public interest requires the efficient and uninterrupted performance of all services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. The Union and/or the employees covered by this Agreement shall not cause or condone any form of work stoppage, strike, or slow-downs as long as the terms of this Agreement are in effect. Employees who are involved in such actions shall be subject to discharge.

6.2.2 A jurisdictional dispute between two (2) or more Labor organizations shall not be cause for any form of work stoppage, strike, or slow-down. The work shall continue during the process of establishing the appropriate jurisdiction and employees who are involved in any form of work stoppage, strike, or slow-down by the Union. Employees who are involved in such actions shall be subject to discharge.

6.2.3 A picket line, strike, slow-down or other interference with City functions by any other Union or bargaining unit shall not be the cause for any form of work stoppage, strike, or slow-down by employees or the Union. Employees who are involved in such actions shall be subject to discharge.

6.2.4 Any dispute arising out of the City's enforcement of Sections 6.2.1, 6.2.2, or 6.2.3 of this Article may be appealed to the Grievance Procedure by any party to this Agreement. The matter shall be determined by the arbitrator solely on the issue of whether or not the Union or employee(s) violated any provision(s) of this Article.

6.2.5 The City agrees not to lock out employees as a means of retaliation against the Union. However, initiation of a City Hall closure or furlough program shall not be construed as a lockout.
ARTICLE 7 - TRIAL SERVICE PERIOD

7.1 New Hire – A new employee shall be subject to a six- (6) month trial service period commencing with his/her first date of regular employment in a position in the bargaining unit. The trial service period may be extended by the Employer up to an additional six (6) months. The Employer shall be under no obligation to re-employ or remain in its employment an employee on trial service. Discharge of an employee during his/her trial service period shall not be subject to the grievance procedure.

If a trial service employee is displaced by a previous incumbent, who was promoted, but did not successfully complete trial service as allowed in Section 7.2, the Employer shall provide a minimum of one month of notice and additional employment to the displaced employee. The displaced employee may seek other employment in the City or outside the City during that period. The Employer may also provide outplacement assistance, if appropriate. If the displaced employee has completed trial service when displaced, the provisions of Article 8 apply.

7.2 Promotion – An employee who is promoted to a different classification shall be subject to a six (6)- month trial service period to demonstrate his/her abilities and capacity to perform the duties of the classification. The trial service period may be extended by the Employer up to an additional six (6) months. ARTICLE 8 - LAYOFF, RECALL, AND JOB VACANCIES

8.1 Considerations - The City may lay off employees where there are changes in duties in the organization, a position or service is abolished, a reorganization of the operations occurs or for lack of work or shortage of funds. Any limited term employee shall be let go before any regular employee in the same job classification, and in reverse order of seniority among limited term employees. The procedures for regular employees are as follows:

8.1.1 Layoff - Whenever a lay off is anticipated, employees whose jobs may be affected will be notified of the situation and options available as soon as possible to allow time to make necessary arrangements. The Employer shall provide a minimum of one month of notice and additional employment to the displaced employee. The displaced employee may seek other employment in the City or outside the City during that period. The Employer may also provide outplacement assistance, if appropriate. Prior to the implementation of a lay off, the Employer agrees to meet and confer with the Union with regard to the City’s decision so that the Union can provide input as it deems appropriate.

8.1.2 Regular employees will be retained on the basis of seniority when job performance and qualifications are equal. Relative job performance will be determined by the department head on the basis of past job performance evaluations. Qualifications will be determined by the knowledge, abilities and skills required for that position and the employee’s ability to perform the remaining work without further training. Due consideration shall also be given to Federal and State law and good equal employment opportunity practices.

8.1.3 For a period of one year, regular employees affected by reduction-in-force will be offered the first opportunity to fill vacant positions in the bargaining unit for which they are qualified.
8.1.4 Limited Term Employees shall not have recall rights.

8.2 Job Vacancy - When a vacancy occurs in the bargaining unit, a notice of such vacancy shall be posted on the bulletin board for a minimum of five (5) working days. Present employees who desire consideration for such openings shall notify the Employer in writing during the period the notice is posted. A limited term employee (LTE) may apply for any position in the City, including those covered by the Agreement. The LTE shall receive the same consideration and review as any other candidate. If the LTE is offered a regular position in the bargaining unit, the seniority or service credit date for all purposes shall be established using the original date of hire of the LTE unless there has been a break in service.

**ARTICLE 9 - MONTHLY SALARIES**

11.2 A vacation cannot be taken until after the completion of six (6) full calendar months of service. An employee hired on or before the fifteenth day of any month shall accrue vacation leave from the first day of that month. An employee hired on or after the sixteenth day of any month shall accrue vacation from the first day of the next month following.

11.3 Vacations shall be scheduled at such times as the Employer finds most suitable after considering the wishes of the employee and the requirements of the department.

11.4 Vacation leave may not accumulate from year to year without limit. At the beginning of each calendar year, each regular and limited term full-time and regular and limited term part-time employee may retain, in his/her personal account, a maximum number of compensated leave hours (vacation, holiday credit and compensatory time) which is equal to two hundred forty (240) hours pro-rated in accord with the employee’s FTE. Any vacation accruals exceeding the maximum on January 1 of each year will be automatically forfeited unless otherwise specifically authorized, in writing, by the City Manager. Notification of vacation accruals that may be forfeited if not taken will be given to the employee by the Employer at least 60 calendar days prior to January 1 each year.

11.5 Upon the effective date of the termination of an employee's employment, such employee shall thereupon be entitled to a sum of money equal to his/her former regular compensation for any earned vacation leave time which has not been used or forfeited for failure to timely claim.
ARTICLE 12 - SICK LEAVE AND OTHER LEAVES

12.1 Sick Leave

Sick leave shall be available to employees after they have worked for a minimum of three (3) consecutive calendar months from their most recent date of hire.

12.1.1 Sick leave must first be earned as a result of completed service with the Employer.

12.1.2 Employees shall accrue sick leave at the rate of 8 hours for each completed calendar month of service.

12.1.3 Sick leave may accumulate until claimed and used up to a maximum of 1,440 hours only.

12.1.4 Employees who use a scheduled work day or less of sick leave in a calendar year shall be granted a scheduled work day off during the succeeding calendar year on a date mutually agreed upon between the employee and the Employer.

12.1.5 If the absence claimed as sick leave does not exceed three (3) days, no doctor's certificate shall be required to accompany the request for sick leave unless required by the Supervisor or Department Head. Requests for sick leave in excess of three (3) days shall be accompanied by a doctor's certificate or other satisfactory proof of sickness or injury, unless waived by the Employer.

12.1.6 Employees have the right to supplement sick leave with accrued but unused paid time off. Employees not on time loss under Workers' Compensation shall exhaust all of the above accrued sick leave and/or vacation time before being placed on a leave of absence without pay (not to exceed six months) if the employee is unable to return to work for medical reasons. The provisions of Section 10.23 of the Human Resources Policies and Procedures Manual shall govern all unpaid leaves of absence.

12.1.7 Personal illness or physical incapacity resulting from causes beyond the employee's control, forced quarantine of employee in accordance with State or community health regulations and qualifying reasons under the Washington State Family Care Act are the only approved grounds for sick leave.

12.1.8 Continuance of sick leave pay during absence from duty shall be contingent upon the employee or someone on his/her behalf notifying his/her immediate supervisor of the reason for absence as soon as possible prior to the start of his/her regular work shift on each day off duty.

12.1.9 In a case in which an employee shall be entitled to benefits or payments under any program of disability insurance furnished by the Employer, Workmen's Compensation Act, or similar legislation of the State of Washington, or any other government unit, the difference between the benefits and payments received under such insurance or act by such employee and his/her regular rate of compensation that he/she would have received shall be taken from the employee's sick leave balance. The foregoing payment or contribution by the Employer shall be limited to the period of time that such employee has accumulated sick leave credits as here and above specified. If the employee has exhausted sick leave and does not desire to have other paid leave utilized to supplement workers' compensation payments, it shall be the employee's
responsibility to notify the appropriate authority in writing prior to exhausting sick leave. Otherwise, the Employer will automatically utilize other paid leave earned by the employee to accomplish the purposes of this section.

12.1.10 Accrued but unused sick leave shall have no cash value except at the time of normal service retirement. At such time the employee shall be eligible to receive 10% cash payment of such leave but not to exceed a maximum of 1440 hours.

12.1.11 Employees are expected to be on the job, and on time, unless excused by their supervisor or department head. Periodic review of employee’s attendance records shall be made. Excessive absenteeism or tardiness, or use of sick leave for purposes other than those provided for in this Agreement shall result in disciplinary action against the employee.

12.2 Other Leaves

12.2.1 Bereavement Leave – A regular employee may use up to a total of 40 hours of paid administrative leave per occurrence in the event of death in the employee’s immediate family. It is expected that such leave will be taken during or within 60 days of death, or longer with Human Resources Director or designee review and approval. Leave is prorated by an employee’s FTE. (This amendment shall not be retroactive.)

12.2.2 Family and Medical Leave – The City will follow the provisions of the federal Family and Medical Leave Act of 1993 (FMLA), the Washington Family Leave Law and the Washington Family Care Act as applicable.

12.2.3 Jury or Witness Leave – Necessary leave shall be allowed by the City Manager to permit any employee to report for duty to serve as a member of a jury, or as a non-party witness to an incident arising while the employee is performing his/her duties assigned by the Employer. The employee shall receive from the Employer, as compensation during this leave period, the amount of his/her regular salary over the compensation received by the employee for such jury duty. Employees shall be required to report for work for any portion of their regularly scheduled shift during which they are not actually serving on a jury or waiting to be impaneled.

ARTICLE 13 - HEALTH INSURANCE (MEDICAL, DENTAL, AND LIFE)

13.1 Health Insurance - Overall, it is the intent of the parties that health benefits coverages and cost-sharing between the Employer and the Employees in the bargaining unit shall be the same as for non-represented employees of the City. Therefore, the following agreement applies:

13.1.1 The Employer shall retain the right to self-insure medical and dental coverage.

13.1.2 The Union recognizes that the Employer shall have the right to make design and cost sharing changes to the Employer provided Bellevue Health Plans to promote cost containment, provided such changes shall be made uniformly for all non-represented City employees, their dependents, and employee groups evenly.

13.1.3 The Employer will continue to involve bargaining unit representatives in education and training regarding health coverage issues and any options that may be under consideration.
13.1.4 The Employer may open the contract to negotiate this provision for the remainder of the term of the agreement, based upon new requirements resulting from the state or federal health care reform legislation, when the requirements are known.

13.1.5 **Premium Sharing** for the City of Bellevue Core Health Plan currently administered by Premera.

For year 2011, in consideration for the acceptance of the City’s plan design changes effective January 1, 2011, the Employee’s share of the cost of health care shall be the same (single rate = single rate 2010, etc.) as in 2010.

For year 2012, the Union adopts the City’s methodology based on the percentage of the total premium the employee is paying for year 2010. The 2010 employee percentage for health care cost is as follows:
- 6.99% for Employee only
- 16.4% for Employee + Spouse
- 13.0% for Employee + Child(ren), and
- 17.8% for Employee + Spouse + Child(ren)

For year 2013, the Employee will pay the employee percentage for health care as follows:
- 6.99% for Employee only
- 16.4% for Employee + Spouse
- 13.0% for Employee + Child(ren), and
- 17.8% for Employee + Spouse + Child(ren)

13.1.6 **Alternative plan** has been discontinued effective December 31, 2010, as key benefits are incorporated into the Core plan administered by Premera (i.e., naturopath, acupuncture, massage therapy visits, and nutritionist).

13.1.7 **Affordable plan** – In the event the employee elects coverage under the Affordable plan, currently administered by Premera, there will be no monthly employee contribution for employee only coverage; dependent coverage will be twenty-five percent (25%) of the Core employee premium contribution.

13.1.8 **Group Health Cooperative** - The employer and the employee will each pay the portion of the premium they paid in the prior year plus share the increase in premiums. For the first 6.5% of premium increase, the Employer will pay 100% of the increase for Employees and 80% of the increase for dependents. The Employee will pay 20% of the increase for dependents. For premium increases in excess of 6.5%, the Employer and the employee will share equally any portion of the premium increase in excess of 6.5%. Premium sharing is illustrated in the following tables:

In the event the employee spends more than their allotment to purchase protective footwear, in either the Basic or Enhanced standard according to the job hazards to which the employee is exposed, the Employer will provide additional reimbursement up to a maximum of $50 upon the employee providing receipts demonstrating actual protective footwear expenses incurred.

14.6.2 New employees shall be eligible for a footwear allotment upon hire. Provided however, should the employee fail to successfully complete their trial service period, the value of such footwear shall be withheld from their final paycheck.

14.9.1 When an employee is required by the Employer to attend a formal disciplinary interview conducted by the Employer investigating an incident involving an employee, the Employer shall advise the employee that he/she has the right to be accompanied at the interview by a Union shop steward or business representative. The Union representative shall not have the right to interfere with the investigation.

14.10 **Substance Abuse** – Any time there is reasonable cause to believe that an employee's job performance is impaired by drugs or alcohol, the Employer may cause tests to be administered. 16.1.3 Step 3 – If the grievance is not resolved by the department head, the Union shall present the written grievance, together with all other pertinent materials, to the City Manager or designee within ten (10) working days after Step 2 is completed. The City Manager shall attempt to resolve the grievance within ten (10) working days after it has been presented to him/her.

16.1.4 Step 4 – If the grievance is not resolved by the City Manager, the grievance may be referred to an arbitrator, no later than fifteen (15) days after the Union receives the City Manager's response. If the Employer and the Union are unable to agree upon an arbitrator within ten (10) days after they first meet to determine such an appointee, they shall jointly request the American Arbitration Association to provide a panel of five (5) arbitrators from which the parties may select one. The representatives of the Employer and the Union shall alternately eliminate the name of one person from the list until only one name remains. The person whose name was not eliminated shall be the arbitrator.

16.1.5 It shall be the function of the arbiter to hold a hearing at which the parties may submit their positions concerning the grievance. The arbiter shall render within thirty (30) days after such hearing his/her decision based on whether or not the Employer violated the provisions of this Agreement. The decision shall be final and binding upon the parties to the grievance provided the decision does not involve action by the arbiter which is beyond his/her jurisdiction. Each party hereto shall pay the expenses of their own representatives (e.g. attorney's fees) and the expenses of the arbiter shall be borne equally by the parties hereto.
16.1.6 The term "employee" for purposes of this Article shall mean the employee accompanied by his/her Union Representative, if he/she so desires.

16.1.7 Neither the arbiter nor any other person or persons involved in the grievance procedure shall have the power to alter or change any of the present provisions of this Agreement.

**ARTICLE 17 - SAVINGS CLAUSE**

17.1 If any provisions of this Agreement shall be held invalid by operation of Law or by a tribunal of competent jurisdiction or if compliance or enforcement of any provision of this Agreement should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement shall not be held invalid and shall remain in full force and effect. In such event the parties shall meet for renegotiation of such invalid provisions for the purpose of adequate and lawful replacement thereof and to preserve the intent of the entire Agreement as negotiated by the parties.

**ARTICLE 18 - DURATION**

18.1 Unless otherwise expressly provided herein, the terms of this Agreement shall be in full force and effect on January 1, 2011 and shall remain in full force and effect through December 31, 2013, during which time no additional provisions will be negotiated unless mutually agreed otherwise to become effective prior to January 1, 2014.

18.2 In the event negotiations for a new agreement have not been completed by January 1, 2014, the provisions contained in this Agreement may remain in effect by mutual agreement until the conclusion of the negotiations for a new Agreement.

18.3 If either the Employer or the Union desires to change, modify or terminate any provisions of this Agreement on the anniversary date of December 31, 2013, written notice must be given to the other party sixty (60) days in advance of December 31, 2013 and the nature of the changes or modifications shall be contained in such notice.

A.2 Administration

A.2.1 The pay plan shall consist of four 6-step pay ranges and two 4-step ranges with step intervals of 5%. The Journey level positions (Electronics Technician and Signal Electrician) were established as 100%. The Signal Assistant classification is 70% of Journey. The Assistant Electronic Communications Technician classification is 80% of Journey. The Signal Repair Specialist classification is 85% of Journey. The Master Journey level is 109.30% of Journey. The Working Chief classification is 114.38% of Journey.

A.2.2 The City will evaluate a new hire’s qualifications, abilities, and experience in the job for which the candidate applied. The Union shall be included in the interview and evaluation process and make a recommendation to the City. For all classifications below Journey level, an employee is ordinarily hired at Step 1 of the pay range and shall be subject to a 6-month Trial Service Period. An employee who successfully completes the Trial Service Period shall advance to Step 2. That employee shall be eligible for a merit review 1 year after moving to Step 2.

A.2.3 For the classification of Journey, an employee who is hired at a trainee level shall be hired at Step 1; an employee hired at less than a fully qualified journey level shall be hired at Step 2; and an employee hired at fully qualified journey level shall be hired at Step 3; an employee who exceeds fully qualified journey level may be hired at Step 4.

Step 1 – Trainee
Step 2 – Not Journey qualified
Step 3 – Not Journey qualified
Step 4 – Journey qualified
Step 5 – Exceeds Journey qualified

It is a condition before advancing to Journey classification Step 6 that an employee becomes standby qualified.

Employees who do not become standby qualified within one year of attaining Step 5 shall remain at Step 5 until becoming standby qualified. An employee who was hired at Step 5 must qualify for standby to complete Trial Service requirements. Trial service may be extended if not standby qualified at 6 months.

Step 4 is a skill step and requires an employee to meet all journey level qualifications. An employee hired at Step 1, 2, or 3 may advance to Step 4 upon meeting Journey level requirements, which will also move the employee’s merit date to 1 year from step movement.

A.2.4 Unless otherwise specifically addressed herein, the step increases shall be based upon satisfactory performance evaluation and completion of twelve (12) months in the prior step before advancing to the next step. Step increases may be withheld or delayed for employee performance that does not meet standards, provided that the employee’s performance deficiencies have been discussed and documented with the employee at least sixty (60) days in advance of the performance evaluation date to allow the employee sufficient time to correct performance to meet standards.
A.2.5 The Parties have jointly agreed on the standards and the process required to attain the level of Master. Such agreement is included in a Master of Craft Program letter of agreement signed by the parties and dates 12/20/02. These standards and process may be changed by joint agreement of the parties, and may be achieved through the Labor/Management Committee.

A.2.6 When an employee is upgraded from a journey or master level position, the employee shall go to the same step number in the appropriate higher position pay range (EXAMPLE: from Signal Electrician Step 5 to Master Signal Electrician Step 5).

Similarly, when an employee is placed from a higher level position into a journey or master level position, the employee shall maintain the same step number in the journey or master level pay range (EXAMPLE: from Working Chief Step 6 to Electronics Technician Step 6).

The parties have jointly agreed to a Working Chief Memorandum of Understanding dated 07/01/03, which agreement is referenced herein.

A.2.7 If an employee is promoted from Signal Assistant, Assistant Electronic Communications Technician or Signal Repair Specialist to higher level bargaining unit classification, the employee’s pay rate upon promotion shall be one hundred five percent (105%) of the employee’s current base salary rate, provided the promotional amount is at least the minimum and does not exceed the maximum rate of the new classification. After initial placement in the higher position pay scale, the employee’s next opportunity for a pay increase shall be 12 months after the upgrade.

A.2.7.1 Employees who are off step may be paid between steps until reaching the top step and may have their base pay rate increased by five percent (5%) at 12 month intervals up to the maximum rate of the classification; provided however, the intent of A.2.4 has been met. Journey level employees who are off step will not be moved beyond Step 5 until becoming standby qualified.
