

BELLEVUE CULTURAL CONVERSATIONS

Do you want to feel a sense of community? Build bridges between cultures? Come join a diverse group of women from Bellevue who meet regularly to share tea and conversation and make connections in the greater Eastside community.

The Cultural Conversations Program was launched in 2010 as a partnership between diverse women in the community and the City of Bellevue. It was initiated by women who had a desire to get better connected with their community and who wanted to enhance their knowledge and understanding of different cultural practices and world views.
