CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 4616

AN ORDINANCE increasing storm and surface water drainage charges for the Storm and Surface Water Utility of the City of Bellevue; and amending Section 4 of Ordinance No. 2429, as amended.

WHEREAS, the Storm and Surface Water Utility, with the advice and assistance of a rate consultant, has reviewed the financial condition of the Utility and has reviewed the rates and charges provided by Ordinance No. 2429, as amended, and the policies upon which said rates and charges were established; and

WHEREAS, the rate consultant and the Utility have determined and recommend that the rates and charges of the Utility be increased; and

WHEREAS, a public hearing was held before the Environmental Services Commission on November 4, 1993 and another public hearing was held on November 22, 1993, with regard to the budget of the City of Bellevue for 1994; and

WHEREAS, the Environmental Services Commission has reviewed the proposed modifications to the Utility's rates and charges and has recommended adoption of said modifications; now, therefore,

THE CITY COUNCIL OF THE CITY OF BELLEVUE, WASHINGTON, DOES ORDAIN AS FOLLOWS:

Section 1. Section 4 of Ordinance No. 2429, as amended by Section 2 of Ordinance No. 2577, and as further amended by Section 1 of Ordinance No. 3080, Section 1 of Ordinance No. 3688, Section 1 of Ordinance No. 3980, Section 1 of Ordinance No. 4198, Section 1 of Ordinance No. 4309 and Section 1 of Ordinance No. 4456, is further amended to read as follows:

Section 4. There is hereby levied upon all real property within the City of Bellevue which contributes drainage water to or which benefits from the function of the Storm and Surface Water Utility of the City of Bellevue, and there shall be collected from the owners thereof, bimonthly service charges based on the square footage of the properties and on the appropriate intensity of development classification(s) of such properties, such that for each 2,000 square feet of area or increments thereof, the property shall be charged a bimonthly amount as follows:

	<u>Light</u>	<u>Moderate</u>	<u>Heavy</u>	<u>Very Heavy</u>	
<u>Wetland Undeveloped</u>	<u>Development</u>	<u>Development</u>	<u>Development</u>	<u>Development</u>	
\$0.00	\$0.38	\$2.24	\$2.79	\$4.14	\$5.55

and each account shall be charged an additional bimonthly customer charge in the amount of \$2.45, and there shall be collected from the owners of undeveloped properties which become developed a "late-comer" facilities charge of \$11.87 per equivalent billing unit per year from March 1, 1982 to

date of development, pro-rated on a monthly basis. An equivalent billing unit shall be defined as the number of square feet of property divided by 2,000 square feet times the runoff coefficient associated with the newly developed property's intensity of development classification. The runoff coefficient for the following development classifications are defined as follows: Wetland: 0.00; Undeveloped: 0.25; Light Development: 0.4; Moderate Development: 0.5; Heavy Development: 0.75; Very Heavy Development: 1.00.

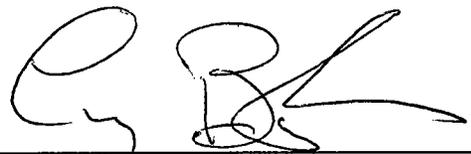

The rates and charges established herein shall be reevaluated no later than five years from the effective date of this Ordinance.

Section 2. The revised bimonthly service charges and bimonthly customer charge established in Section 1 of this ordinance shall take effect on January 1, 1994, and shall supersede all existing schedules of charges as of that date.

Section 3. This ordinance shall take effect and be in force five days after its passage and legal publication.

PASSED by the City Council this 13th day of December, 1993, and signed in authentication of its passage this 13th day of December, 1993.
