157th Avenue SE Streetlights

EASTGATE/FACTORIA PROJECT OPEN HOUSE

project location

157th Avenue SE, from SE 45th Street to SE 45th Court

project cost

\$65,000

project description

This project would install three to five new streetlights along 157th Avenue SE. Each proposed location would require a new pole and LED streetlight, as well as connection to underground power. Exact light locations would be determined at a later time.
