

EF#6 SE Allen Road & 138th Avenue SE Improvements

EASTGATE/FACTORIA PROJECT OPEN HOUSE

project location

SE Allen Road at 138th Avenue SE

project cost

\$220,000

project description

This project would reconstruct pedestrian facilities on the north leg of the intersection of 138th Avenue SE and SE Allen Road. The project would include a traffic circle, or similar element, to improve the alignment of the intersection and reduce speeds of vehicular traffic. This work would complement new pavement markings at the intersection, as well as complete a missing segment of sidewalk along the south side of SE Allen Road, just west of its intersection with 138th Avenue SE.
