

2007 Neighborhood Enhancement Program Eastgate/Cougar Mountain Area

Lattawood Park – Install Swings at Playground

This project would expand the existing playground to allow for the installation of swings. Pavement and safety surface improvements would be made to blend the new swing area with the existing playground design.

NEP Project Cost (Cost assumptions include design and permit fees)

- Swings and Safety Surface \$30,000
 - Pavement Improvements, Site Work and Landscaping \$45,000
- CIP TOTAL \$75,000**
