Meydenbauer Bay Park Concept Survey

The city wants your input about the three park concepts, each based on a different theme: Environment; Destination; and Urban Edges. Please view the [presentation](#), which gives useful context, then take clicking on the image or title below.

After you've had a chance to look at what is envisioned for each theme, you are invited to enter comments on that image. Tell us what you like best and least for each as well as any other comments or ideas you have for alternatives. After you have entered comments in all of the boxes you want, click on "submit" and managers. (Please enter all your comments before you submit the online form.)
