

## **Neighbor Link 2010 PROJECT PLANNING OPEN HOUSES**

**Wednesday, March 17, 11am-3pm**

**Thursday, March 18, 5pm-8pm**

**City Hall, 1st floor, Neighborhood Resource Center**

### **What Is Neighbor Link?**

A partnership between individuals, neighborhoods, businesses and the City of Bellevue to promote community service, charitable projects and community building. In 2009, twenty-three Bellevue neighborhoods brainstormed ideas and planned, promoted and implemented community service projects throughout the City.

### **How Do You Get Involved?**

In 2010, everyone is invited to participate! Bring your creative ideas and energy to the Neighborhood Resource Center to a "project coaching" open house. Neighborhood groups, individuals and students who want to organize a community service project are encouraged to come in and receive personal coaching.

### **Not Sure What You Want To Do?**

Staff will be on hand to help you select projects, identify resources, mobilize support and get organized. If you want to get involved in community service, this is your chance to get the help and direction you need to get started.

Plug into existing community needs or create your own project! Neighborhoods, individuals, high school students (community service hours available) and younger children are all encouraged to participate.

### **Appointments available - walk-ins welcome too!**
