ECO FRIDAYS

Eco Fridays are community volunteer events held on Fridays at various parks throughout the City of Bellevue. These events provide unique opportunities for businesses and school groups to participate in the stewardship and care of the City of Bellevue's Park and Open Space System.

STEWARDSHIP SATURDAYS

Stewardship Saturdays are held on one Saturday each month and are the perfect way for families, individuals, troops, groups, and organizations to get involved in their local natural resource management.

All projects take place from 9 a.m. to 1p.m.

TYPES OF VOLUNTEER WORK

Depending on what season it is there are many exciting ways to volunteer. From planting native trees and shrubs, to restoring trails and removing invasive plants, there are volunteer opportunities for everyone in your group!

WHY VOLUNTEER?

- Increase attitude and morale.
- Encourage teamwork.
- Help bring community needs into focus.
- Make a difference in your community.
- Learn about your local natural resources.
- Get exercise and enjoy the outdoors!

HOW TO GET INVOLVED

Contact Curtis Kukal to schedule your group's volunteer event today!
