Kelsey Creek Horsemanship Mini Camps

This hands-on camp will have equally divided ground work and riding time. Head instructor, Dale Rumens-Partee's philosophy with horses is to offer the horse a variety of experiences in and out of the arena, to develop a well-rounded horse and partner for herself and her clients. NEW this year, we will have an additional qualified instructor and equine volunteers. This will allow more time in the saddle and individual attention for our riders. Parents/guardians are required to stay for the first day of class while your child's needs are assessed and may be required to stay, at the instructor's discretion, for the remainder of class sessions. Prior to registering your child, keep in mind a few qualifications are needed for success in any riding class; motivation, strength, and sufficient balance to manage their own body and control a horse and be able to listen for at least 30 min. Dress for the weather, we teach rain or shine. Safety is emphasized. www.westernskyhorsemanship.com Min 6/Max 12
