BAYLEY
CONSTRUCTION

You are Invited!

*To an informal meeting about
the construction of the new
Cherry Crest Elementary School*

**Cherry Crest
Elementary
June 23rd, 2011
6:00 PM**

What's going on?

The construction of the new Cherry Crest Elementary School will begin shortly after the end of School on June 17th. The School will vacate the property and relocate temporarily at Bellwood Elementary School for one school year - September 2011 through June 2012. The new school will be complete and ready for students in September 2012.

Bayley Construction will be the General Contractor for this project. Construction work on site will begin in June 2011 and continue through the course of construction to completion of the project in August 2012. Construction on site will follow city regulations for permitted work hours and activities. The entire site including the playfields and walking path will be closed to the public during full period construction.

The temporary location of the school will be at Bellwood Elementary is located at 301 151st Place NE. The School has sent out information to parents about the relocation to Bellwood, and will be sending additional information later this summer.
