

Lewis Creek Visitor Center is Hopping in March!

Come find out what all the noise is about!

March 21

Frog Hop 7:30pm – 9:00 pm

One of the earliest sounds of spring is the constant rib-bit song of frogs. Learn about the intricate life cycle of these amphibians, as well as the kinds of frogs that live in Western Washington. Then join a Park Ranger to explore Lewis Creek using your ears to guide the way! Bring a flashlight or headlamp, as well as good shoes and warm clothes, for the journey!

Ages: 5+ Cost: \$2 Resident \$3 Non-Resident. Pre-registration required.

Course # 82891

March 22

Hot Topics in Washington State: Frogs 1 pm – 2 pm

Did you know that the Pacific Tree Frog is the Washington State Amphibian? It is the most commonly seen and heard frog in the Pacific Northwest! However, there are many other frog species that call Washington home, including an introduced species that is crowding native species. Come discover the variety of frog species and their habitats!

Ages: 8+ Cost: Free No registration required.
