**Bellevue Parks & Community Services**

**Master Gardener Program**  
WASHINGTON STATE UNIVERSITY  
EXTENSION

**The Master Gardeners** in cooperation with Bellevue Parks & Community Services manage the Lake Hills Greenbelt Urban Demonstration Garden. Along with being a complete Master Gardener clinic, the garden also demonstrates ornamentals, vegetables, fruits, and various techniques for plant support, terracing, trellises, and composting. Master Gardeners offer free consultation, workshops, and special events at the Urban Demonstration Garden.

Master Gardeners are trained by Washington State University Extension to provide research-based horticulture information to residents of Washington State. (Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.)

### Visiting the Demonstration Garden
