

WELCOME TO THE FITNESS CENTER AT SBCC

Get a jump start on incorporating fitness and wellness into your life at our community-focused Fitness Center. A daily drop-in fee or one of our many pass options gives you access to this 2,500 square-foot center equipped with state of the art cardio and strength training equipment.

A double gymnasium is also available for a variety of drop-in sports including basketball, badminton, and pickle ball. Please come by and take a look, and attend one of our free Orientations so we can answer any questions you may have.

Let's Get Started...

The first step is to visit the front desk and pick up a "PAR-Q-Physical Activity Readiness Questionnaire." This is for your personal use only, and does not need to be signed and returned to SBCC. Please read the questions carefully, answer them honestly, and consider the recommendations for your personal safety.

The next step is to attend a Fitness Center Orientation.

All adults and teens are required to attend this one-hour class prior to using the Fitness Center.

The Orientation will cover our policies and procedures, step-by-step instruction on using cardio and weight-training equipment properly, general principals of exercise, and will give you a chance to meet our fitness staff. No sign-up needed, just meet in the Fitness Center 5 minutes before our start time (see inside of brochure for days and times).

Once you have attended an Orientation, you are ready to work out or attend a "Fitness 1-on-1" help session. See details on other side.
