# FAMILY PROGRAMS

## Family Hiding 101

"Every Kid in a Park" initiative is beginning this fall. All fourth grade students and their families will have free access to national parks, forests, and wildlife refuges with the *Every Kid in a Park Pass*. To give families a jump start on getting outside we have designed a program to help families learn some trail basics and explore trailheads and parks in the area. Rangers from Lewis Creek Visitors Center will teach participants about the 10 essentials of hiking and Leave no Trace practices, then TRACKS' staff will lead a hike. Transportation from Lewis Creek Visitor Center to and from the trail head is provided. Pre-registration required.
